# Project Limits

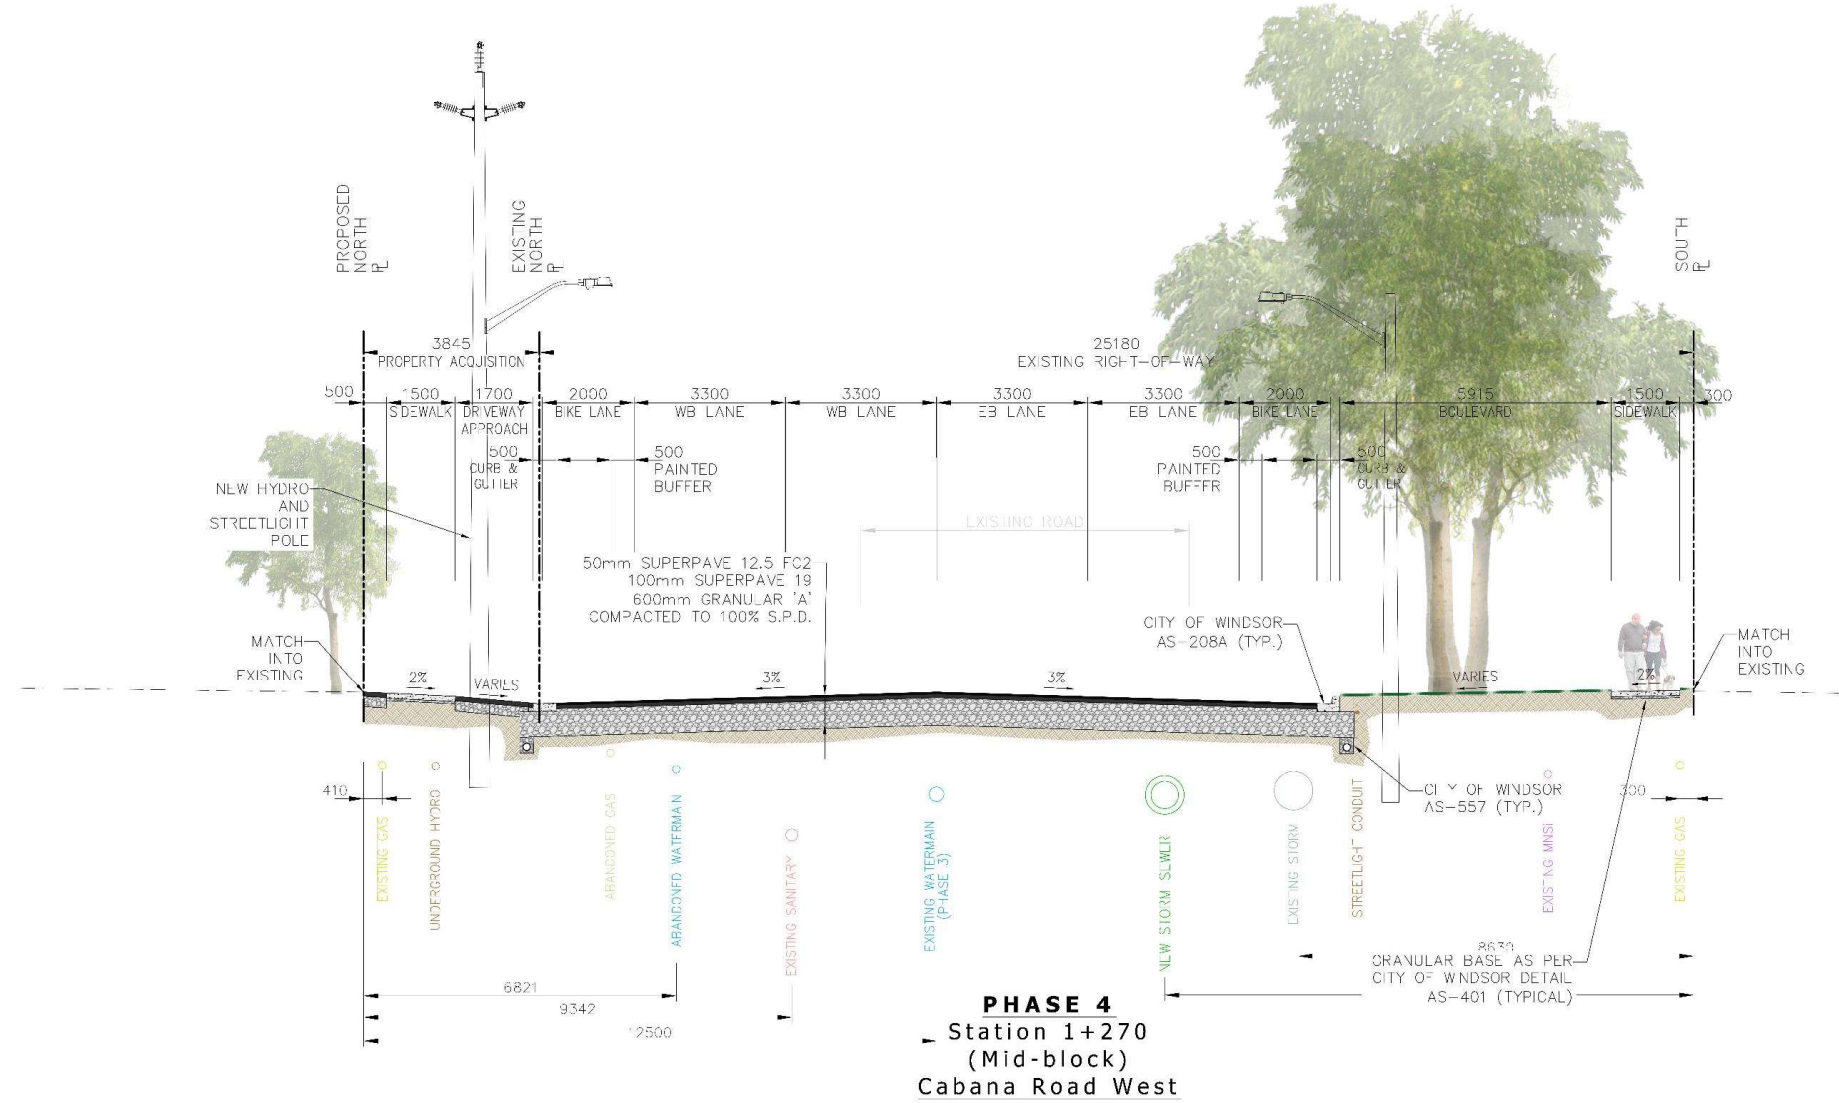

Cabana Corridor Improvements, Phase 4, includes the following work along Cabana Rd W. between Dominion Blvd and Highway 3:

- Road widening to four lanes with buffered bike lanes
- New sidewalks on both sides
- New streetlights on both sides
- Driveway/boulevard restoration
- New storm sewer installation
- New sanitary sewer installation and isolated sanitary sewer rehabilitation
- New pedestrian traffic signal at Richardie/Askin
- Road closure at Richardie and Daytona
- One-way transition at Roxborough

## **Public Information Centre (PIC) Objectives**

- Provide an update on the project
- Present the final design
- Present the construction schedule
- Address questions and concerns

# Proposed Cross Section
