34 THE COLOURATION COLLECTION, SPOKEN FOR RENTALS (LAKESHORE, ON)

Amy is the owner of a vibrant new local business, Spoken For Rentals, creating unorthodox props that infuse character & soul. She'll bring colour to life within the inspirational surroundings of the Sculpture Park to provoke imagination & the artist in all of us.

35 FUTURE WAVES – MARZ INC. (WINDSOR / LOS ANGELES / EARTHWIDE)

Pools of light will drip from Marz Inc's specialized festival lighting spanning the festival grounds. See the light, feel the message: Today's drop ripples into a tidal future, as we send a transmission of light & love waves out into the universe. Marz travels the world bringing light to millions of people, but Windsor is his home, his heart – his roots. He believes the riverfront and the Windsor Sculpture Park is the city's greatest asset & a National Treasure, the first view for those who come to Canada. His goal is to bring this great Nation's gateway into a new light, creating a celebrated place day & night for visitors from around the world to experience our otherworldly atmosphere.

PROJECTS

24 OPTIC WAVES, DCREED, (HARROW, ON)

DCREED has been an artist for over 30 years, trained in many forms of art. Technique & originality are what drive the creation of each piece, devoted to entertaining the eyes of others & sharing his peculiar life story along the way. His art is created through a process of forming patterns & geometric shapes, mixed with a melting pot of colours to deceive the eye. The resulting obscurity of images & patterns create visual interference.
