TOWN OF TECUMSEH

TOWN OF LASALLE

Our parks are beautiful, and it's very important to keep them that way! The City of Windsor is starting to introduce blue recycling bins in our parks to ensure that recycling is easy, convenient and ever present in our community.

Look for the blue recycling bins (for containers only) in your local park. They are usually twinned with a green garbage container to allow containers to be recycled and garbage to be thrown out. Help Windsor recycle on the go!
