TALL SHIPS 1812 TOUR
PRESENTED BY Redpath

WHAT: Tall Ships Artists' Market

As part of the **Coastal Trails: Sails to See Tall Ships Festival 2013** bringing Tall Ships to our Region, Windsor will celebrate the arts, culture and heritage of our City with a 3-day festival that will include an **Outdoor Artists' Market in Dieppe Gardens**.

WHEN: Aug 30 – Sept 1, 2013

The Outdoor Artists' Market will begin on Friday, August 30 2013 at 10 AM, and will run from 10AM – 5PM each festival day, with opportunities for continuation into the evening hours to coincide with evening programming.

NEEDED: Visual Artists

We are seeking **visual artists** from disciplines who create works that are primarily visual in nature – **ceramics, drawing, painting, sculpture, printmaking, design, crafts, photography, video, filmmaking, pottery, etc.** – to set-up, showcase and sell your **original work** at our festival. Activities and opportunities for hands-on experiences are not necessary, but are welcome.

HOW it will work...

At **NO COST** to you, we will give you a tent and table. Depending on space, you may be required to share your tent/table with another artist. You will also get 2 chairs. Spaces are limited and will be filled based on a juried selection process.
