Jacky Ng, Applicant/Architectural Designer, Avant Group

Jacky Ng, Applicant/Architectural Designer, Avant Group, appears before City Council regarding the Administrative report "Zoning By-law Amendment Application for 0 & 1466 St. Patrick Avenue, Z-037/22 [ZNG-6899], Ward 10" and provides a brief overview of the proposed development including the sanitary connection; options related to outcomes should the application be denied; potential for incentive programs to connect to the sanitary sewer for residents; the number of proposed units; intensification strategies; and concludes by providing information related to pursuing building a single dwelling unit where no zoning amendments will be required to meet existing Ontario Building Code requirements.

Mayor Drew Dilkens leaves the meeting at 5:48 o'clock p.m. and Councillor Gary Kashak assumes the chair.

Bruce Sheardown, area resident, appears before City Council and expresses concern regarding the proposed development application "Zoning By-law Amendment Application for 0 & 1466 St. Patrick Avenue, Z-037/22 [ZNG-6899], Ward 10" and supports the Development & Heritage Standing committee's recommendation denying the Zoning By-law Amendment application as it is too dense for the area; the parking in the area wouldn't be sufficient; and concludes by suggesting many other properties in many other areas have septic systems and mandatory sanitary sewer hookup would benefit the developers not the homeowners in the area.

Lee Ann Robertson, area resident

Lee Ann Robertson, area resident, appears before City Council and expresses concern regarding the proposed development application “Zoning By-law Amendment Application for 0 & 1466 St. Patrick Avenue, Z-037/22 [ZNG-6899], Ward 10” and cites concerns with undersized sewers, basement flooding with neighbours that are on the sewer system; and concludes by suggesting adding more homes to the system may overload it; the financial burden of having to connect to the sanitary sewer system is a concern for many residents and would benefit only the developer.

Theodore Kahiya, area resident, appears before City Council and expresses concern regarding the proposed development application “Zoning By-law Amendment Application for 0 & 1466 St. Patrick Avenue, Z-037/22 [ZNG-6899], Ward 10” and agrees will all the concerns that the previous delegates have referred to; and concludes by indicating heavy rain on the empty lot causes flooding in his basement, and with the proposed development, it will cause further flooding, and the expense to connect to the sanitary sewer would be unaffordable; and that parking issues in the area would be increased causing security issues and inconvenience to area residents.

Mike Chen, area resident

Mike Chen, area resident, appears before City Council regarding and expresses concern regarding the proposed development application “Zoning By-law Amendment Application for 0 & 1466 St. Patrick Avenue, Z-037/22 [ZNG-6899], Ward 10” and reiterates the concerns related to negative financial impact to the area residents to connect to the sanitary sewer due to the proposed development; the financial impact that the City would incur; reduced green space for rain water runoff; and concludes by suggesting that the Provincial Government should reimburse the City for infrastructure costs for this development.
