(2) Consider the appointment of one additional member to the ***Windsor Accessibility Advisory Committee*** in order to meet *Accessibility for Ontarians with Disabilities Act* (AODA) guidelines which require "***the majority must be persons with disabilities***". **Attached** is a memo from Gayle Jones, Accessibility and Diversity Officer for the City of Windsor, with her recommended applicant(s) to fill the position on the Committee. Ms. Jones has recommended the appointment of one individual to bring the Committee compliant with OADA regulations and has also suggested other candidates for Council's consideration. **Attached** is a list of those persons who had expressed an interest in serving on the Committee when Council considered appointments on January 16, 2023.

The following persons were appointed by City Council for the term expiring November 14, 2026:
