11.2. Closure of north/south alley located between Taylor Avenue and 1124-1224 Campbell Avenue, Ward 2, SAA-6848

Councillor Kieran McKenzie inquires as to the reason that this alley closure will be made available only to one property owner, which is not the normal process, as the alley should be made available to all abutting property owners. The Councillor inquires as to why this process is different from the usual process. Brian Nagata, Planner II Development Review, appears before the Development & Heritage Standing Committee regarding the administrative report "Closure of north/south alley located between Taylor Avenue and 1124-1224 Campbell Avenue, Ward 2, SAA-6848" and indicates that the alley cannot be conveyed to the abutting property owners because this would block access to the applicant's property. They have had historical access off the alley and a approved access through a recent building permit.

Councillor Kieran McKenzie inquires whether the other property owners want to acquire their portion of the alley. Mr. Nagata indicates that the property owner to the west is claiming that there is an existing driveway off the alley, although the City has no evidence of a driveway. Mr. Nagata states that the current engineering best practice is to not allow access from of a grass alley. Mr. Nagata adds that the property owner to the east has indicated that they would like to have access to the alley in order to complete any maintenance to the backyard and administration have included an easement in the recommendation so that they will have access. Mr. Nagata indicates that the applicant has only requested the portion of the alley abutting their property, although Administration has recommended the whole alley so that the City is not left with a remnant portion. Should the alley be left open, the property to the west still wouldn't be granted access since it is a grass alley.

Councillor Kieran McKenzie inquires what the applicant is trying to achieve by acquiring the alley. Mr. Tran, applicant appears before the Development & Heritage Standing Committee via video conference regarding the administrative report "Closure of north/south alley located between Taylor Avenue and 1124-1224 Campbell Avenue, Ward 2, SAA-6848" and indicates that he was only trying to acquire the portion of the alley directly behind his property in order to provide additional parking in the back.

Councillor Kieran McKenzie inquires whether the delegate has had discussions with his abutting property owners. Mr. Tran, applicant responds that he has spoken with the abutting owner at the rear and he had no objections. The property owner at the corner has an issue with tenant parking across the street from her property, the alley parking would alleviate that.

Councillor Angelo Marignani inquires whether the entire alley is required in order to have access to the applicant's portion of the alley. Mr. Nagata indicates that Administration has recommended the entire alley in order to not be left with a remnant portion of the alley.

Councillor Angelo Marignani inquires whether the maintenance of the alley would become the responsibility of the property owner. Mr. Nagata indicates that is correct.

Jim Abbs, Author makes note of a minor change in the report, MD1.2 should read MD1.4 and states that it does not impact the recommendation from the Planning Department.

Karl Tanner and Theresa O'Neil, agents, Dillon Consulting are available for questions.

Joan Ennis, area resident (2044 Questa Drive) - has various concerns with the proposal such as; flooding, removal of the berm, parking, traffic, height of the building and harm to the environment.

Jeff Benedet (via zoom), area resident –mentions an error on the website showing an incorrect shadow study. Mr. Benedet has various questions such as; tree removal, landfill being within 800

meters, EV charging stations and construction fencing. Mr. Benedet also has concerns with the height of the building.

Kate Benedet, area resident (Questa Drive) – Mrs. Benedet reads an email from an area resident that has concerns with parking and traffic. Mrs. Benedet has concerns with traffic and voices safety concerns at the Banwell and McHugh intersection.

Robert Berret, area resident (1964 Questa Drive) – has concerns with flooding, traffic and removal of the berm.

Councillor Francis asks Mr. Tanner if the height can be reduced. Mr. Tanner answers that the preference is 10-storeys (35 meters) at this time.

Councillor Francis asks Ms. Ennis if the height of the building was reduced would the residents be comfortable with the proposal. Ms. Ennis agrees.

Councillor Marignani asks Mr. Tanner will the development have EV parking spots. Mr. Tanner answers that will be looked at in the Site Plan Control process. Councillor Marignani asks if there will be a convenience store at the development. Mr. Tanner answers that it can be looked into. Councillor Marignani asks if the developers would be opposed to an egress to relieve pressure from the intersection at Banwell and McHugh. Mr. Tanner states that it can be reviewed during Site Plan Control. Councillor Marignani asks if temporary construction screen can be put in place to protect the properties from construction debris. Mr. Tanner answers that it could be implemented immediately.

Councillor Kieran Mackenzie asks Mr. Tanner to speak about the raised flooding concerns. Mr. Tanner states that studies were done in the past on the Blue Heron Pond and that it was adequately sized for future developments, so it would have no negative impacts on neighbourhood.

Councillor Marignani asks Mr. Perissinotti if the building will add any additional strain on the neighbourhood in terms of flooding. Mr. Perissinotti answers that they do not have any concerns.

Councillor Marignani asks if there are any concerns with waste management. Mr. Abbs answers that there were not any concerns identified in the circulation.

Councillor Kieran Mackenzie asks for clarity on the updated TIS. Mr. Abbs answers that the study will reflect an increase of 200 units and what mitigation measures will be needed (if any).

Councillor Kieran Mackenzie asks what impact this development will have on traffic. Mrs. Boakes answers that the updated TIS will show what the impact will be with existing conditions and some forecasting for when the development is complete.

Councillor Kieran Mackenzie asks if removing the berm but adding the parking lot will control flooding issues. Mr. Winters answers that it will be determined during Site Plan Control.

Councillor Marignani asks if there are any concerns with residents having permit parking. Mrs. Boakes answers that a call would have to come in through 311 and a neighbourhood analysis would have to be done in the entire area. The next step would be a neighbourhood petition.
