

February 9, 2024

TO THE MAYOR AND MEMBERS OF COUNCIL:

The regular meeting of Council will be held on **Monday, February 12, 2024 at 10:00 o'clock a.m., in the Council Chambers, 350 City Hall Square.**

A special meeting of the **Environment, Transportation and Public Safety Standing Committee, meeting as the Transit Windsor Board of Directors, will be held on Monday, February 12, 2024, immediately following the regular meeting of Council at 10:00 a.m., in Room 139, 350 City Hall Square.** The Committee will at the special meeting adopt a resolution to authorize the Committee to meet in closed session, and the resolution shall contain the general nature of the matters to be considered in the closed session. The resolution must be adopted by a majority of Committee members present during the open special meeting before the meeting may be closed. An agenda for this meeting is enclosed under separate cover.

A special meeting of Council will be held on **Monday, February 12, 2024, immediately following the special meeting of the Environment, Transportation and Public Safety Standing Committee, meeting as the Transit Windsor Board of Directors, in Room 139, 350 City Hall Square.** Council will at the special meeting adopt a resolution to authorize Council to meet in closed session, and the resolution shall contain the general nature of the matters to be considered in the closed session. The resolution must be adopted by a majority of Council present during the open special meeting before the meeting may be closed. An agenda for this meeting is enclosed under separate cover.

(continued)

A meeting of the **Striking Committee** will be held on **Monday, February 12, 2024, immediately following the in-camera meeting of Council**, in Room 139, 350 City Hall Square. A resolution to meet in closed session must be adopted and shall contain the general nature of the matters to be considered. The resolution must be adopted by a majority of Council present during the open special meeting of the Striking Committee before the meeting may be closed. An agenda for this meeting is enclosed under separate cover.

BY ORDER OF THE MAYOR.

Yours very truly,

Steve Vlachodimos

City Clerk

/bm

That City Council **RECEIVE** the Transit Windsor 2024 Operating Budget service enhancement submission for information.

Carried.

Report Number: SCM 338/2023 & S 156/2023

Clerk's File: AFB/14256

11.5. 2024 Sewer Surcharge Budget - City Wide

Moved by: Councillor Fred Francis

Seconded by: Councillor Jim Morrison

Decision Number: B10/2024

That the following wastewater rates **BE APPROVED** and **IMPLEMENTED**:

A. Fixed Charge - To be based on the meter size as detailed in Appendix B (\$21.65 for residential customers)

B. Water Consumption Charge - To be based on a rate per cubic metre of water (\$3.37 per m3 of water for residential users and \$3.15 per m3 for commercial customers); and,

That in order to avoid charging a surcharge on the water that is estimated to not have been returned to the sewer system, water consumption for the purpose of calculating the sewer surcharge bills for the extended summer months (May through October) continue to **BE BASED** on the lower of actual consumption or average winter usage (November through April) and that Administration **DIRECT** Enwin Utilities Ltd. (acting for the Windsor Utilities Commission) to continue to use the appropriate billing methodology to achieve this goal; and,

That the City Solicitor **BE DIRECTED** to update the Sewer Surcharge Bylaw to reflect the new rates.

Carried.

MAYOR

CITY CLERK

**Additional Information: AI 2/2024****Subject: Additional Information Memo regarding Temporary Patio Fees****Reference:**

Date to Council: February 12, 2024
Author: Janice Guthrie
Commissioner Finance & City Treasurer
519-255-6100 Ext. 6271
jguthrie@citywindsor.ca
Report Date: February 7, 2024
Clerk's File #: ACLB2024

To: Mayor and Members of City Council

Additional Information: Additional Information Memo regarding Temporary Patio Fees**Executive Summary:**

N/A

Background:

Report C146/2023 as written was originally put forward to City Council on December 11, 2023 and was deferred pending further discussions with Administration. As indicated in the report, if the proposed process, which would allow for temporary patios on private property be accepted, Budget Issue 2024-0151 proposed the addition of two new user fees to the user fee schedule for Planning's Review (\$75) and Building's Review and Circulation (\$220). These two new fees would be required in order to ensure cost recovery associated with staff time for reviews, circulation and on-site inspections. The total proposed fee of \$570 would be charged on an annual basis, as departments will need to review any changes to existing professional practices and legislation before approving, and an annual on-site inspection is required.

The Fire and Building inspection fees were already part of the user fee schedule as part of ongoing operations. No changes to these fees were needed.

Discussion:

At its meeting of January 29, 2024, the matter of patio fees was raised. To clarify, as part of the 2023 budget approval process, Council resolved to waive temporary sidewalk cafe fees in public right of way, funding the revenue loss from Budget Stabilization Reserve (BSR). This waiver was recommended to continue for 2024 and

approved through the recent budget process. An amount of up to \$109,093, which covered permit revenue, annual fees and loss of parking meter revenue, will be funded on a one time basis in 2024 using BSR. The issue of temporary patios on private property, as outlined in this report and which was subject to the deferral on December 11, 2023, is now before City Council for approval as recommended by Administration.

Discussions with Administration have been held and the report has been brought back to City Council for decision. At this time, the fee structure as proposed has been adopted as part of the 2024 Operating Budget and has been included in the 2024 User Fee Schedule. Should Council wish to waive the application of the fee, Council would need to provide direction on this matter to Administration.

Risk Analysis:

There is no additional risk associated with the information contained in this report.

Climate Change Risks

Climate Change Mitigation:

N/A

Climate Change Adaptation:

N/A

Financial Matters:

The total proposed fee for applicants is \$570 plus HST. From May 1 to Oct 1, 2023 the City only received 10 applications. However, the number of applications is expected to increase in the coming years as the program expands and business owners become more aware of AGCO requirements.

Should City Council decide to waive the fees for the 2024 season, the total lost revenue to departments could be in the range of \$5,700 to \$12,000 and it would be Administration's recommendation that funds from the Budget Stabilization Reserve be used to offset any deficit as a result of the waiver if required by the department(s).

Consultations:

Tony Ardovini – Deputy Treasurer Financial Planning

Conclusion:

This additional information memo has been prepared to advise Council of the matters that have transpired from when Report C146/2023 was originally presented to now.

Recommendation:

THAT City Council **AWARD** RFP 157-23, Energy Management Plan Consultant, to WF Group Inc. for the provision of consulting services related to the preparation of the City's 2024-2028 Energy Management Plan (EMP) and City's Corporate Energy Policy; and

THAT the Chief Administrative Officer and the City Clerk **BE AUTHORIZED** to execute an agreement with WF Group Inc. for the delivery of aforementioned consulting services, with a maximum limit set at \$59,000 (excluding HST), satisfactory in legal form to the City Solicitor, in financial content to the City Treasurer, and in technical content to the Senior Manager of Asset Planning; and

THAT Council **PRE-APPROVE** and **AUTHORIZE** Administration to use, if necessary, an additional contingency amount of \$5,900 (excluding HST) equal to 10% of the overall contract, intended to cover any unforeseen activities, costs and other potential expenses; and

THAT the required funding of \$66,045, as detailed in the Financial Matters section of this report, **BE FUNDED** from the Energy Reserve (Fund 188); and

THAT the Purchasing Manager **BE AUTHORIZED** to issue Purchase Orders for any amendment(s) as may be required, provided that the amendment(s) are within approved budget amounts, satisfactory in financial content to the City Treasurer, and in technical content to the Senior Manager of Asset Planning.

Executive Summary:

N/A

Background:

The City of Windsor had prepared and approved Energy Management Plans (EMP) for the periods 2014-2018 and 2019-2023 as required by Ontario Regulations 397/11 (revoked) and 507/18 (revoked) respectively.

Ontario Regulation 25/23, "Broader Public Sector: Energy Reporting and Conservation and Demand, requires municipalities to file annual reports with the Ministry of Energy and prepare and approve an energy conservation and demand management plan (energy management plan) by July 1st, 2024, and again for every five-year period thereafter.

Discussion:

Previous Energy Management Plans for the City of Windsor were prepared in-house by Administration. The Plans reflected the progress of energy conservation efforts for the periods covered and identified opportunities for future periods.

The actual stage of energy conservation efforts, coupled with the challenges the City is facing as the result of climate change, and the need to significantly reduce the greenhouse gas (GHG) emissions, necessitates a more accurate and sophisticated approach to the preparation of the EMP. Engaging the services of a consultant for the preparation of the EMP ensures an exceptional outcome and full compliance with Ontario Regulation 25/23.

The 2024-2028 EMP will be an evolving document that sets goals, strategies, and executable initiatives that reduce the Corporation's energy consumption and greenhouse gas emissions. The EMP will play a crucial role in achieving Net-Zero goals, mandated by the Federal Government, with the least possible financial burden to the City.

The EMP's main goals are:

- supporting the development of the corporate vision, goals, and objectives for conserving and saving energy, managing energy demand, and reducing GHG emissions.
- progress toward meeting energy the City's conservation and GHG emissions reduction goals.
- establishing the City's future initiatives to enhance energy efficiency, decrease energy consumption, reduce greenhouse gas emissions, and bolster sustainable economic development.
- obtaining cost and energy saving estimates for the City's current and proposed activities and measures.

In parallel with the EMP development, Administration is seeking assistance for the preparation of a Corporate Energy Policy. The purpose of this Energy Policy is to provide a clear policy statement regarding energy management that applies to the entire corporation. Energy management activities take place in all departments, and it should be clear to these departments what the energy targets are, who is responsible for which elements of energy management, and how activities will be coordinated.

In January 2024, Asset Planning / Energy Initiatives issued a Request for Proposal (RFP) to obtain the support of experienced consultants for the development of 2024-2028 EMP to meet the requirements of Ontario Regulation 25/23 in July 2024.

WF Group Inc. was the only vendor to submit a proposal. The proposal submitted is satisfactory to Administration and Administration recommends accepting the proposal submitted by WF Group Inc.

The City has previously collaborated with WF Group Inc. on the GHG Pathway Reduction Study and, based on the work completed on that project, we are confident that they possess the capability to deliver the services specified in the RFP.

To meet the requirements prescribed in Ontario Regulation 25/23 the 2024-2018 EMP will be presented to Council for approval before July 1, 2024.

Risk Analysis:

Ontario Regulation 25/23 requires that the City file annual reports with the Ministry of Energy and approve an energy conservation and demand management plan (EMP) on or before July 01, 2024. Not proceeding with the approvals required in this report may put the City at risk of non compliance with Ontario Regulation 25/23 and the Electricity Act, 1998.

Climate Change Risks

Climate Change Mitigation:

There is no climate change mitigation risk with awarding this RFP.

Corporate buildings, wastewater operations, and streetlights account for approximately 42%, 23%, and 1% of the Corporate greenhouse gas emissions. The remaining GHG emissions (34%) are attributed to City fleet and Transit Windsor operations. Therefore, the Corporate Energy Management Plan, which will provide a thorough review of energy use and associated GHG emissions, as well as strategies for their reduction, will be an important document to support the reduction targets. The EMP will also align with the forthcoming Net-Zero Transition Plan (to be presented to Council later in 2024). The Asset Planning / Energy Initiative Unit will work collaboratively with the Environmental Sustainability and Climate Change Office and the proponent to identify sustainable strategies to reduce energy use and costs, as well as GHG emissions.

Climate Change Adaptation:

There is no climate change adaptation risk with awarding this RFP.

Where appropriate, the EMP will consider strategies that enhance the resiliency of the Corporate assets.

Financial Matters:

Administration is recommending use of the Energy Reserve (Fund 188) to fund the cost required to prepare the 2024-2028 EMP.

Given the unknown elements of this contract and the collaboration required in the development of the updated 2024-2028 EMP, it is being recommended that a contingency amount equal to 10% of the overall contract be considered. This provisional budget amount will allow for any additional work that may be identified as the project proceeds to be addressed.

The proposed budget for this project is as follows:

Expenses	Budget Amount
Consulting Services (RFP 157-23)	\$59,000
Contingency Budget (10% of consulting services)	\$5,900
Non-Recoverable HST	\$1,145
TOTAL	\$66,045

The balance (net of encumbrances) in Energy Reserve (Fund 188) as of February 2, 2024 is \$745,188. As such, there are sufficient funds available to support these costs.

Consultations:

Jackie Sisco, Senior Buyer

Karina Richters, Supervisor, Environmental Sustainability & Climate Change

Conclusion:

Following the issuing of the RFP 157-23 and in accordance with the City of Windsor’s Purchasing By-Law, Administration recommends approving the proposal submitted by WF Group Inc. to provide consulting services related to the 2024-2028 Energy Management Plan in accordance with Ontario Regulation 25/23.
