Councillor Kieran McKenzie inquires about the decision to use brick instead of siding and whether it is a requirement as per legislation or just a change determined by the applicant. Mr. Solcz indicates that the decision was made to address concerns related to the visual appeal of siding on the proposed Additional Dwelling Unit.

Councillor Kieran McKenzie inquires about the applicants willingness to waive the 90 day period stipulation. Mr. Solcz confirms that his client waived the 90 day restriction in order to bring forward additional information, and administration also provided additional information with the understanding that the application would be heard at today's Development Standing Committee Meeting.

Councillor Kieran McKenzie requests clarification related to the 90 day waiver. Wira Vendrasco, Deputy City Solicitor appears before the Development & Heritage Standing Committee Meeting regarding the administrative report "436 Askin Avenue—Heritage Permit Request (Ward 2)" and indicates that the *Ontario Heritage Act* allows the municipality and applicants to jointly agree to waive the 90 day period, if no decision is made in 90 days the application is automatically granted. Ms. Vendrasco provides details related to the original deferral request at the March meeting and that both sides agreed to it. Ms. Vendrasco states that the Heritage Planner has indicated, in the administrative report, that the application would have no adverse impact.
