### 11.2. Closure of part of east/west alley located between Leonard Road and George Avenue, Ward 5, SAA-7136

Councillor Kieran McKenzie requests clarification related to the discrepancy between the recommendation and the comments from transportation planning who are opposing closure of the alley from a traffic operation and security standpoint. Brian Nagata, Planner II Development Review, appears via video conference before the Development & Heritage Standing Committee regarding the administrative report "Closure of part of east/west alley located between Leonard Road and George Avenue, Ward 5, SAA-7136" and indicates that the comments were included as a measure of transparency. Mr. Nagata adds that notice was issued to all abutting properties and no objections were raised. Mr. Nagata indicates that the alleys are not to be used as cut-through, but only by the property owners and abutting property owners.

Councillor Kieran McKenzie inquires whether Administration will consider potentially allowing a left hand turn at that intersection as a result of the alley closure. Administration indicates that the removal of the restricted left turn would not be recommended due to traffic safety.

Moved by: Councillor Kieran McKenzie

Seconded by: Councillor Mark McKenzie

Decision Number: **DHSC 584**
