

## **Agenda Item 4.**

### **From the Chair of HHAC**

#### **Proposed HHAC Work Plan for 2019-2023**

4. Continue to monitor the uptake, and accomplishments under the 10-year Housing and Homelessness Master Plan.
  - ★ Bring forward questions and motions to council on various ongoing federal, provincial and municipal initiatives and policies to address local housing and homelessness needs.
  - To listen to HHAC members priorities and challenges within the sector and where possible, offer our support either directly or by aligning them with other similar community partners.

In alignment with the 10-Year Housing and Homelessness Master Plan HHAC, and the Windsor Essex Community Advisory Board; a community sub-committee will participate in assessing current housing and homelessness coordinated access systems with consideration provided to proposed waitlist regulatory changes, sector best practices, local community needs and will work with the Service Manager and CHC who governs the operations of the CHR-WEC.
  - .\_ To appear as necessary at the appropriate standing committee meetings and council on any given housing and homelessness issue.
  - 4 To work closely with city departments including the Housing, Planning and Building departments to ensure that HHAC members are aware of new initiatives, funding streams and changing policies from both the federal, and provincial governments.
  - 4 To continue to advocate for more affordable and attainable housing for all our citizens within Windsor Essex county.

Please review for our meeting set for Sept 17<sup>th</sup>. Additions may be added at our meeting.

Thanks,
