

For Immediate Release: March 28, 2024

## ENWIN Group of Companies Public Salary Disclosure for 2023

**Windsor ON:** In keeping with the Corporation of the City of Windsor's commitment, the ENWIN Group of Companies (ENWIN) is disclosing the 2023 compensation of employees serving in senior executive positions.

The Public Sector Salary Disclosure Act (PSSDA) is a provincial law that outlines public sector salary disclosure parameters. This law does not apply to electricity distribution companies like ENWIN or its affiliates.

However, as other energy sector organizations have demonstrated and in the interest of transparency, ENWIN voluntarily discloses this information with support from its boards and senior executives.

---

**About ENWIN and WUC:** ENWIN Utilities Ltd. (ENWIN or EWU) is the regulated subsidiary of Windsor Canada Utilities Ltd. (WCU,) and a licensed electricity distribution company, serving customers in the city of Windsor. ENWIN also maintains a contract of service with the Windsor Utilities Commission (WUC) to manage administrative and operational functions for the WUC-owned water treatment and distribution system that serves customers in Windsor, Tecumseh, and LaSalle. ENWIN and WUC work with Windsor to provide a safe, reliable source of electricity and water for our community.
