**QUESTIONS/ANSWERS:**

**Question #1:** If the survey can be considered a separate price or allowance, where can this be located in our cost proposal? The Cost Proposal form does not have a place we can indicate this cost and is very clear that no qualifications are permitted.

**Answer:** *The survey will be completed and paid for by the City. Please do not consider any costs in your submission for a survey. If geotechnical services are required, they will be paid for by the City as well.*
