ADDENDUM NO. 9
SANDWICH STREET SEWER REHABILITATION PROJECT
RFP NO. 74-20

July 10, 2020

This addendum amends and forms part of the Proposal Documents. The Proponent shall insert the addendum behind the cover page of the Proposal Documents.

QUESTION/ANSWERS:

Question #1:

Could you please clarify items 56 to 63 in Addendum 8, Appendix C Schedule of Unit Prices. For example, are we to read item 56 as 12 joints for A), 12 joints for B), and 12 joints for C), or 12 joints spread amongst items A), B) and C)?

Answer: Schedule of Unit Prices Provisional Items #56 to #63 includes for a theoretical total value of Joints requiring chemical grouting for a particular sized sewer main. The proponent is to provide a unit value for a) 1-2 joints per section, b) 3-4 joints per section, c) 5+ Joints per section multiplied by the theoretical total value of Joints to give a total value.

For Example, Item #56 includes for 12 theoretical total value of Joints for sewers sized between 200mm & 250mm. Therefore 12 joints would be used for each subsection a), b) and c).

Except for the contents of this addendum, all other terms and conditions of this proposal remain the same.

END OF ADDENDUM NO. 9

Yours truly,

THE CORPORATION OF THE CITY OF WINDSOR
