This addendum amends and forms part of the Proposal Documents. The Proponent shall insert the addendum behind the cover page of the Proposal Documents.

Please see the following questions and answers.

1. Per question #16 from addendum 1, would the City entertain the use of your existing AMANDA cashiering system to accept payments on behalf of the proposed Property Tax system through the use of a real time, two-way API where AMANDA cashiering could lookup/search property tax information, accept payments, and have payments then recorded in the property tax system without user intervention?

Answer: The City is willing to entertain all options.

Except for the contents of this addendum, all other terms and conditions of this proposal remain the same.

END OF ADDENDUM NO. 2
