RAILING FABRICATION & INSTALLATION – ASSUMPTION PARK  
RFT NO. 126-20**

**September 16, 2020**

This addendum amends and forms part of the Tender Documents. The Bidder shall insert the addendum behind the cover page of the Tender Documents.

**QUESTION & ANSWER:**

1. The profile for the top rail seem (GAR-R4) seems to be single sourced specified. Is there an alternate to the profile of the rails? Can we make the profile similar?

Please refer to Section 5, Additional Tender Requirements, regarding the “Approved Equivalent” process. In this tender, the specifications do not state, “or Approved Equivalent”, therefore, the railing must be fabricated in accordance with the specifications and the drawings.

Except for the contents of this addendum, all other terms and conditions of this tender remain the same.

**END OF ADDENDUM NO. 2**
