This addendum amends and forms part of the tender documents. The bidder shall insert the addendum behind the cover page of the tender documents.

QUESTIONS & ANSWERS:

1. Given the nature of the work and the very limited inherited risk to the city, is it possible for the 50% performance bond be reduced to 10% or removed completely?

A Performance Bond will not be required, and the requirement is removed from the tender.

2. In the “Progress of Work and Time of Completion” section it states that, we will have 15 working days to complete the work within the contract. We do not see that the work can be completed within the 15 days, can the time limit be lengthened to 20 working days?

The time for completion is changed to 20 working days.

Except for the contents of this addendum, all other terms and conditions of this tender remain the same.
