Communication No. 5:

Moved by Councillor Sleiman, seconded by Councillor Holt,
M17-2015 That the request from the Warden, County of Essex dated January 8, 2015 requesting support of Resolution 212-14 regarding the proposed closure of the Obstetrics Unit at Leamington District Memorial Hospital **BE SUPPORTED** as follows:

Whereas the Board of Directors of Leamington District Hospital has voted to request the Erie St. Clair LHIN for permission to cease offering 'normal circumstance deliveries' to save operating funds;

And Whereas there is already a petition of 2,500 signatures having been circulated since October 31, 2014 voicing opposition to this cut in services;

And Whereas the importance of having local, accessible, time-relevant birthing services for 'normal' as well as other deliveries is the best interest of women who are or will bear children in the geographic area of the LDMH in the future;

And Whereas a birthing experience that is safe and accessible to the pregnant mother, as well as their child/children, their other children, spouses/partners and extended family members is paramount to the start of the child's life and to the health of the mother;

And Whereas it is important to the community that residents be able to access family health services within their own community;

Now Therefore the Council of the City of Windsor requests:

1. The Board of Directors of the LDMH reconsider their request to cease OB services; and/or
2. The ESC LHIN maintain the OB services at the LDMH; and further
3. The LDMH and ESC LHIN seek alternative solutions to budget cuts without sacrificing OB services in the area; and further,

That this motion **BE CIRCULATED** to the Premier of Ontario, Minister of Health, Federal MP and Provincial MPP.
