

# Got Snow?

Snow Angels can help

- Snow Angels is a snow removal service helping senior citizens and persons with physical disabilities.
- The program attempts to match volunteers from the community with residents in their neighbourhoods requiring assistance. It's also a great way for students to round out their community hours.
- All that is asked of you is to shovel the sidewalks bordering your assigned property within 12 hours of the end of snowfall.
- **All registered volunteers will be entered into a draw to win a TABLET or one of two \$50 Rec Express Cards.**

This is a great opportunity to help members of the community
