INDEPENDENT AUDITOR'S REPORT

To the City of Windsor Clerk:

Qualified Opinion

We have audited the accompanying Financial Statement – Form 4 of Renaldo Agostino, Candidate which comprise the Statement of Campaign Income and Expenses and the Calculation of Surplus or Deficit for the campaign period from August 9, 2022 to December 31, 2022 relating to the election held on October 24, 2022. The Financial Statements have been prepared by the Candidate based on the accounting treatment prescribed by the *Municipal Elections Act, 1996* (Section 78) (Act).

In our opinion, except for the possible effects of the matter described in the Basis for *Qualified Opinion* section of our report, the statements present fairly, in all material respects, the income and expenses for the campaign period from August 9, 2022 to December 31, 2022 and the surplus or deficit in accordance with the accounting treatment prescribed by the Act.

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, it is impracticable through auditing procedures to determine that the accounting records include all donations of goods and services, and receipts and disbursements. Accordingly, our verification of these transactions was limited to ensuring that the statements reflect the amounts recorded in the accounting records of Renaldo Agostino, Candidate, in accordance with the accounting procedures established by the Act and we were not able to determine whether any adjustments might be necessary to income and expenses and surplus or deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities* section of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Basis of Accounting and Restriction on Use and Distribution

Without modifying our opinion, we draw attention to the fact these Financial Statements are prepared in accordance with the accounting treatment prescribed by the Act. The Financial Statements are prepared to assist Renaldo Agostino, Candidate, to meet the requirements of the City of the Windsor. Our report is intended solely for the Candidate and the City of Windsor and should not be distributed to or used by parties other than the Candidate or the City of Windsor.

Candidate's Responsibility for the Financial Statements

The Candidate is responsible for the preparation and fair presentation of these statements in accordance with the accounting treatment prescribed by the Act and for such internal control as the Candidate determines necessary to enable the preparation of statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the Candidate's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Candidate's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Candidate to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other things, the planned scope and timing of the audit findings, including any significant deficiencies in internal control that we identify during our audit.
