Independent Auditor's Report

To the Ontario Ministry of Municipal Affairs and Housing

We have audited the accompanying Financial Statement - Form 4 (the Form) of Harinder Cheema (the Candidate) for the one hundred and ninety-seven days ended January 3, 2023 to meet the financial reporting requirements to the Ontario Ministry of Municipal Affairs and Housing in accordance with the Municipal Elections Act, 1996 (Section 88.25) (the Act).

In our opinion, the accompanying Form of the Candidate is prepared, in all material respects, in accordance with the Act.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Form section of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the Form in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Form

The Candidate is responsible for the preparation of the Form in accordance with the Act, and for such internal control as is determined necessary to enable the preparation of Form that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Report

Our objectives are to obtain reasonable assurance about whether the Form as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Form.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Form, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

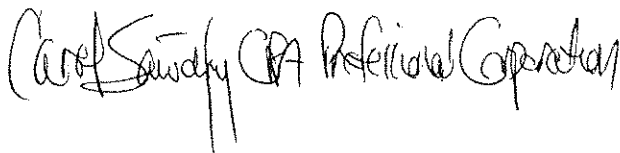

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Candidate's internal control with respect to the Form.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
