

LANDSCAPING POLICY FOR PUBLIC & QUASI-PUBLIC PROJECTS

342/82

That the following policy **BE ESTABLISHED** with respect to Landscaping for public and quasi-public projects:

- a) that all future public and quasi-public projects be carried out in conformance with the property planning and landscaping provisions;
- b) that all existing developments not conforming to the site planning and landscaping standards at the time of any improvement also be designed to conform with those standards;

and that plans for either circumstances a) or b) be submitted to the Planning Department and the Department of Parks and Recreation for site plan and landscape approval respectively prior to the implementation of those plans, and also that as time becomes available the appropriate City Departments engage in a long term survey and evaluation of civic property, and further, that the Board of Education and the Separate School Board **BE REQUESTED** to consider adapting a similar policy.
