Attention: Ms. Karen Kadour
Windsor Bicycling Committee

**City of Windsor - Municipal Class Environmental Assessment
6th Concession Road/North Talbot Road - Notice of Public Information Centre #2**

Dear Ms. Kadour:

The City of Windsor, in association with their consultant, Dillon Consulting Limited, has initiated a Schedule 'C' Municipal Class Environmental Assessment study (EA study) to provide improved 6th Concession Road/North Talbot Road corridors that will serve the needs of the transportation system and area growth for a 20-year period. The study area is shown in the attached key plan. The study will address impacts on the adjacent arterial/collector/local road network and land uses. Consideration will be given to pedestrian connections, bikeway connections, traffic calming and drainage within the study area.

The second Public Information Centre (PIC) is scheduled for Thursday, June 26th, 2014 at the Roseland Golf and Curling Club from 4:00 pm to 8:00 pm. Please see the attached notice for additional information. Interested parties are invited to attend this open house forum to review and provide your input on the following:

- EA study process to date
- Evaluation of design alternatives
- Recommended design alternative
- Potential impacts and associated mitigation measures
- A summary of the next steps in the process.

Information related to this study will be uploaded to the City's website as it becomes available. Please refer to www.WindsorEAs.ca.

Comments can be submitted on the attached Comment Form, which is also available on the referenced website. Comments are due by July 17, 2014. If you want to discuss the project, submit comments, or wish to be added to the study mailing list, please contact John Zangari, Project Manager at (519) 948-5000, ext. 3234 or by e-mail at jzangari@dillon.ca.

Yours sincerely,

NOTICE OF PUBLIC INFORMATION CENTRE CLASS ENVIRONMENTAL ASSESSMENT 6TH CONCESSION ROAD/ NORTH TALBOT ROAD

The City of Windsor, in association with their consultant, Dillon Consulting Limited, has initiated a Municipal Class Environmental Assessment study (Class EA) to provide improved 6th Concession Road/North Talbot Road corridors that will serve the needs of the transportation

system and area growth for a 20-year period. The study area is shown in the key plan. The study will address impacts on the adjacent arterial/collector/local road network and land uses. Consideration will be given to pedestrian connections, bikeway connections, traffic calming, and drainage.

The study is being undertaken in accordance with the planning and design process for 'Schedule C' projects of the Municipal Class Environmental Assessment (June 2000, as amended in 2007 and 2011) under the *Ontario Environmental Assessment Act*.

Public Input

The second Public Information Centre (PIC) is scheduled for June 26th, 2014 as noted. Interested parties are invited to attend this open house forum to review and provide your input on the following:

- EA study process to date
- Evaluation of design alternatives
- Recommended design alternative
- Potential impacts and associated mitigation measures
- A summary of the next steps in the process
