Valerie Critchley
City Clerk, City of Windsor

Dated this 13th day of December, 2013
PRINCIPLES OF THE MUNICIPAL ELECTIONS ACT

For the purposes of conducting the 2014 municipal election in the City of Windsor, the City Clerk recognizes and adopts the following principles of the Municipal Elections Act.

1. the secrecy and confidentiality of the individual votes is paramount;
2. the election should be fair and non-biased;
3. the election should be accessible to the voters;
4. the integrity of the process should be maintained throughout the election;
5. there be certainty that the results of the election reflect the votes cast; and
6. voters and candidates should be treated fairly and consistently within a municipality.

Factum of the Intervenor, Attorney General of Ontario in the recount application for Montgomery versus the City of Toronto, 1998. This represents a clear enunciation, by a government representative in a formal setting, as to what “principles” were considered during the development of the Municipal Elections Act.

The Municipal Elections Act, 1996 (MEA) applies to and governs all elections for municipal councils, school boards and all members of other local boards whose members are to be elected in the same manner as members of council of a municipality.

The Municipal Elections Act also applies where a by-law is submitted for the assent of electors at an election or where the opinion of electors is sought on any question required or authorized by law to be submitted at an election.

ELECTION PROCEDURE

| Service Area: | CORPORATE SERVICES | Procedure No.: | B-2 |
| Department:   | COUNCIL SERVICES   | Approval Date:  | January 2, 2014 |
| Division:     | RECORDS AND ELECTIONS | Approved By: | VALERIE CRITCHLEY, City Clerk |
| Subject:      | PROCEDURE FOR HOMELESS PERSONS | Effective Date: | January 2, 2014 |
| Policy Ref.:  |                     | Pages:         |     |
|              |                     | Replaces:      |     |

1. PURPOSE

1.1 To provide for the inclusion of homeless persons in the official City of Windsor voters’ list for the purpose of voting at the 2014 municipal election. These procedures are in addition to the legislation outlined in the Municipal Elections Act.

2. SOURCE

2.1 Municipal Elections Act, Section 2

3. PROCEDURES

3.1 Staff cannot predict with any degree of certainty where homeless electors might go to vote as staff do not know the qualifying address of their residence as is the case with electors having a permanent address. In addition, there are the “invisible homeless”, those individuals without a permanent residence of their own, staying with friends or relatives. It will be impossible to identify these individuals. As the owners/tenants of the host home will receive a voter notification card from the City, advising them where and when to vote, these individuals can also follow the instructions on the card. If their names are not on the voters’ list, they can easily be added on voting day through the completion of a revision form.

3.2 Subsection 2(3) of the Municipal Elections Act, 1996 (MEA) provides that if a person does not have a permanent residence, the place where he or she returned most often to sleep or eat during the five weeks prior to the date of the determination of residency is deemed to be his or her residence. If a person returned with equal frequency to one place to sleep and another place to eat, the place where he or she returned to sleep takes precedence. The person’s affidavit regarding the place to which he or she returned to sleep or eat is conclusive in the absence of evidence to the contrary. The affidavit shall be on an Affidavit of Residency form (Municipal World Form 1191) as designated by the City Clerk.

APPENDIX “D”
3.3 A homeless elector must complete a revision form (Form EL15) to have their name appear on the City of Windsor voters’ list prior to voting day, otherwise their name will not appear on the list. This occurs because the Municipal Property Assessment Corporation (MPAC) is not required to enumerate a person who does not have a permanent residence for inclusion on the preliminary list of electors (section 20 of MEA).

3.4 The Affidavit of Residency form will be stapled to the completed Form EL15 and filed as such.

3.5 Section 24 of the MEA provides that an eligible elector may apply to the Clerk during the revision period (September 2 to October 27, 2014) to have his/her name added to the voters’ list. This may be done in advance of voting day at the Office of the City Clerk at Windsor City Hall or at the voting place on voting day. As the City of Windsor is divided into ten wards, all electors, including homeless electors, must vote in the ward in which they reside.

3.6 It is unknown how many homeless electors in the City of Windsor are Canadian citizens or eighteen years of age and therefore entitled to be an elector. As these individuals are not captured on the preliminary list of electors delivered to the Clerk, the City will not be able to mail them a voter notification card telling them where to go to vote. Many of the homeless may not read newspapers and therefore will not see the advertisements on the revision process and voting day promotion. Some of the identified shelters provide services to abused women. Due to the very nature of their operation, many of these shelters keep the names of their residents and, in some cases, their location confidential. It is likely that many of the residents in these shelters would want to vote, but not want their names to appear on a public record, particularly if they were to vote during the advance voting.

It is suggested that the general election information brochure be made available to the umbrella organizations providing services for these types of residences or to the homeless for distribution to the individual shelters. Residents could then decide if they wished to vote and call the elections office to determine the neighbourhood-voting place they can go to.

3.7 Established shelters for the homeless in Windsor are identified as the Salvation Army, Well-Come Home and Windsor Y Residence.
