8. ADMINISTRATIVE ITEMS

8.2. Wyandotte Street East Corridor Review - Wards 4, 5 & 6

Councillor Francis inquires about the narrowing not being recommended and the wording used in the report. Jeff Hagan, Transportation Planning Senior Engineer, appears via video conference before the Environment, Transportation and Public Safety Standing Committee regarding the administrative report “Wyandotte Street East Corridor Review – Wards 4, 5 & 6” and indicates that

some locations along the corridor are currently over capacity and that the situation may worsen if lane reductions are put in place.

Councillor Kaschak inquires whether there is any way that there could be an East/West Active Transportation Route including perhaps the Riverside Drive Vista project. Mr. Winterton indicates that the Riverside Drive Vista Project will have bike facilities along the whole length on the road and through park areas, including sidewalks, once complete. Mr. Winterton adds that all completed Environmental Assessment documents are available on the City website for viewing; this would provide cross section details.

Councillor McKenzie inquires about the major challenges along Wyandotte although the Active Transportation Plan indicates Wyandotte as a multi-modal corridor. Mr. Hagan provides details indicating that there are alternate streets along Wyandotte that are outlined in the Active Transportation Master Plan which align with the plan.

Councillor Holt expresses concern for the Pillette Village and Old Riverside BIA areas where the East West corridor misses the mark on some of the details that people in the area wanted and asked for. Mr. Hagan provides details of the report and the response to the Council direction related to the feasibility and impact of lane reductions through the area based on their review. Mr. Hagan adds that on-street parking in that area is also necessary and would be beyond the scope of the review.

Moved by: Councillor Francis
Seconded by: Councillor Kaschak

Decision Number: **ETPS 802**

THAT the report of the Transportation Planning Senior Engineer dated November 17, 2020 entitled "Wyandotte Street East Corridor Review – Wards 4, 5 & 6" **BE RECEIVED** for information.
Carried.
