Kieran McKenzie, resident of Ward 9

Kieran McKenzie, resident of Ward 9 appears before the Environment, Transportation and Public Safety Standing Committee regarding the administrative report Calderwood Avenue Pedestrian Crossings and Intersection Control and is pleased that administration is recommending crosswalks to be added to the area which would alleviate safety concerns. Mr. McKenzie is also concerned with the removal of stop signs at Turner and Calderwood and encourages administration to reconsider this position and keep the stop signs. Mr. McKenzie is concerned about the removal of the stop sign at the Woodward intersection and encourages administration to undertake further study and consider other mitigation strategies that may be implemented at this intersection. Mr. McKenzie adds that sidewalks should be installed on both sides of the road all the way to the Walker road intersection and concludes by suggesting that speeding needs to be deterred and that different methods should be implemented to slow people down.

Moved by: Councillor Francis

Seconded by: Councillor Payne

Decision Number: **ETPS 636**
