- The report of the Supervisor of Licensing & Deputy Licence Commissioner entitled "Release of Taxicab Wheelchair Accessible Plates" is provided to the Windsor Licensing Commission for information only.
- In 2005, the City of Windsor underwent an extensive study relating to the operation and regulation of the City's taxicab industry.
- Included in the recommendations was a recommendation to increase the number of Taxicab Wheelchair Accessible plates from five to an additional ten plates.
- In 2007 and 2008, the Licence Commissioner released ten Taxicab Wheelchair Accessible plates to the Drivers' List.
- Four of the ten plates were issued during that time. Since that release, three out of the four plates have since been returned to the City. Out of the ten plates approved to be released, one remains in service and nine are in possession of the Licence Commissioner.
- The Licence Commissioner will release the nine available Taxicab Wheelchair Accessible plates in accordance to the regulations prescribed under Schedule 5 to Public Vehicle Licensing By-law #137-2007. Taxicab Wheelchair plates will first be offered to individuals listed on the current Drivers' List and then to individuals who meet the criteria of the Drivers' List.
