15.1. Support for OBCM Emergency Declaration on Homelessness, Mental Health, and Addictions

Moved by: Councillor Kieran McKenzie
Seconded by: Councillor Angelo Marignani

Decision Number: B12/2026

WHEREAS the Ontario Big City Mayors (OBCM) officially requested in December 2025 that the Government of Ontario declare a provincial state of emergency to address the "community safety and humanitarian crisis" caused by homelessness, mental health, and addictions; and,

WHEREAS recent 2026 data from the Association of Municipalities of Ontario (AMO) indicates that nearly 85,000 Ontarians are currently experiencing homelessness, a number that has grown by nearly 50% since 2021; and,

WHEREAS municipalities have historically shouldered a disproportionate share of the costs for mental health and housing—spending over \$4 billion in 2024—despite these being primarily provincial responsibilities; and,

WHEREAS current provincial interventions, while welcome, have proven insufficient to meet the scale of the growing crisis;

THEREFORE, BE IT RESOLVED THAT the City of Windsor **FORMALLY ENDORSES** the OBCM's Solve the Crisis campaign and its call for a provincial state of emergency; and,

2/27/2023	CQ10-2023	Outstanding	Angelo Marignani	Comm. This world class civic event will promote international investment while improving the quality of life in our city. It will showcase our rich heritage and shared identity of our two cities. The focal point of this new annual festival will be the new Gordie Howe International Bridge, opening in 2024. There is more than a bridge that connects us and it is in our advantage to strengthen these connections.
1/15/2024	CQ1-2024	Outstanding	Gary Kaschak	CAO	Asking that Administration provide a comprehensive report regarding all of the activities, situations, interactions & ramifications involved that occur within our Municipality from having the two current Federal border crossings & soon to be 3 located in our City. Economic Development	Asks that given over the past month, our downtown has unfortunately seen some long-standing businesses leave their location due to landlord/tenant issues including earlier eviction then may be necessary. Acknowledging that administration is currently undergoing a review of all CIPs, I ask that when the final report comes back, it includes a review of potential CIP options that could help mitigate such situations in the downtown core

Meeting Date	CQ #	Status	Council Member	Department	Question
10/28/2024	CQ46-2024	Outstanding	Fred Francis	Comm. Community & Corporate Services	Asks that Administration provide a report pertaining to the use of Artificial Intelligence software within City business and operations. What is our plan to utilize AI within the City business and operations? How are other cities and different levels of government moving forward with the usage of AI?
2/10/2025	CQ4-2025	Outstanding	Renaldo Agostino	Comm. Community & Corporate Services	With the extension of H4 at Water World, it is clear that downtown has lost its community centre. With that being said, I would like administration to investigate partnerships with organizations like the Boys and Girls Club of Canada to open a youth community centre in the core. What would the process be to get a Boys and Girls Club in Windsor? Some of our empty schools would make a perfect location
4/14/2025	CQ5-2025	Outstanding	Angelo Marignani	Comm. Community & Corporate Services	Asks that given the increasing senior population in Windsor and concerns raised regarding the cost of living for our seniors, could administration provide a report outlining current challenges faced by seniors in our area and potential strategies to mitigate them. Areas of concern are public parks, public transit, utility costs to improve the quality of life for our seniors.
4/28/2025	CQ7-2025	Outstanding	Renaldo Agostino	Comm. Community Services	Our hearts go out to the Filipino community and the City of Vancouver following this weekend's senseless tragedy. In light of this incident, and drawing from my experience hosting similar events, I ask that administration conduct a review of our current event safety planning policies. Specifically, I would like the review to include a risk assessment process for all of our public event spaces. Given my background in managing street closures and public event logistics, I would also like to offer my participation and insights as part of this review process.
5/12/2025	CQ10-2025	Outstanding	Renaldo Agostino	Comm. Community Services	Asks that Administration review our arts funding model, post-Covid. We can see the arts community struggling – what can we do to support more artists in our city?

Meeting Date	CQ #	Status	Council Member	Department	Question
5/26/2025	CQ12-2025	Outstanding	Gary Kaschak	Comm. Infrastructure Services	As we are seeing more, anywhere from 8 to 12 individuals living in a single residence, with each person having their own vehicle, and in some cases using and parking commercial vehicles on city streets also, it has caused a strain to the on-street parking availability and system. Asks that Administration provide a report with options to alleviate the above situations, and in that report, can Administration also advise of the potential of a City By-law allowing, for example, only 4, 5, or 6 vehicles maximum at a residence. Any vehicles over and above a number that Administration and City Council choose would be subject to a yearly fee per vehicle to be paid, or the amount added to their property tax bill.
7/14/2025	CQ13-2025	Outstanding	Renaldo Agostino	Comm. Human & Health Services	Asks that as the landscape of social challenges continues to evolve, particularly with anticipated legislation such as Bill 6 and pending changes to federal laws, I am calling on our administration — including Health and Human Services, Community Housing, Parks and Recreation, and, certainly not limited to, the Windsor Police Service — to proactively develop a comprehensive strategy to address the growing concern of open-air drug use in our downtown core and across the city. This is a complex issue that demands coordinated and compassionate action. It affects residents, businesses, and vulnerable individuals alike. I believe it's time for a broader community conversation: What more can we all do — together — to respond to this challenge?
7/14/2025	CQ15-2025	Outstanding	Renaldo Agostino	Comm. Corporate Services	Asks that administration review the current bylaws and regulations concerning mobile food vendors and food trucks. The mobile food industry has evolved significantly in recent years, and I believe there may be opportunities to modernize our policies to better support these small businesses while continuing to meet the needs of the community. A review could help identify potential areas for increased flexibility and opportunity, such as operating locations, hours, permitting processes, or event participation. Supporting a thriving food truck sector could also enhance our local economy, increase access to diverse food options, and contribute to a vibrant public space.

9/8/2025	CQ17-2025	Outstanding	Renaldo Agostino	Comm. Corporate Services	<p>Residents and business owners in the downtown core have recently reported troubling and violent incidents occurring near both existing and newly opened pharmacies that operate as methadone clinics, Asks that Administration be directed to conduct the following research and report back to inform Council's understanding of how other jurisdictions manage access to methadone treatment while addressing community impacts:</p> <ol style="list-style-type: none"> 1. Meeting Date	CQ #	Status	Council Member	Department	Question
9/8/2025	CQ18-2025	Outstanding	Renaldo Agostino	Comm. Infrastructure Services	<p>Asks that due to the growing concern regarding the operation of electric motorcycles, scooters, and similar vehicles that are not licensed by municipalities or the province, with these vehicles increasingly being operated at high speeds on city streets, sidewalks, and trails, creating safety hazards for pedestrians, cyclists, and other road users and increasing the risk to public safety; Administration be directed to prepare a report outlining:</p> <ol style="list-style-type: none"> 1. The current regulatory framework governing electric motorcycles, scooters, crotch rockets and similar vehicles at the municipal and provincial levels 2. The enforcement tools presently available to municipalities, and any limitations that exist; 3. Best practices or approaches from comparable Ontario municipalities in addressing these vehicles; 4. 10/20/2025	CQ20-2025	Outstanding	Kieran McKenzie	Comm. Economic Development	Asks that given the uncertainty in the automotive and manufacturing sector as it relates to bilateral trade and integrated supply chains impacting workers and businesses in Windsor Essex, Administration be directed to engage Invest Windsor Essex and other regional Economic Development partners, including, but not limited to, the Regional Chambers of Commerce and the County of Essex, to identify Tariff related risk to the regional manufacturing sector and through this engagement recommend an appropriate advocacy strategy and policy recommendations for consideration to help mitigate the impacts to our regional economy, jobs and investment.
11/10/2025	CQ21-2025	Outstanding	Gary Kaschak	Comm. Human & Health Services	As per recent media reports, I ask Administration to provide a report on the methods and strategies that St. Thomas, Ontario has completed recently to their reported 'cracking the code in solving homelessness'. An analysis of their methods and amounts of City finances incurred in doing this would be beneficial for Windsor City Council. As well, the amounts they received from upper level of governments in their endeavour should be provided.

1/12/2026	CQ1-2026	Outstanding	Renaldo Agostino	Comm. Economic Development	<p>Windsor residents continue to face serious housing pressures—not only in affordability and availability, but also in the shortage of attainable, family-sized housing that allows families, seniors, and working households to remain in our community. As Council continues to look for practical and community-focused ways to address Windsor’s housing shortage, it is important to understand how the City’s role in planning policies, procedures, and approvals can support the delivery of privately built housing, including both rental housing and small-scale condominium developments that provide attainable ownership opportunities for residents.</p> <p>Asks that Administration report back on the funding and tools that are available at the provincial and federal level including the new Build Canada Homes Agency to support community, non-profit and private housing development in Windsor. Included in this, could administration report back on how these program requirements align with City of Windsor planning and zoning requirements such as minimum unit requirements or affordability thresholds to ensure a streamlined application process and remove barriers to access these programs.</p> <p>Additionally, can administration investigate and report back a summary of current municipal incentives and programs that are available in other comparable cities and municipalities including: capital grants, planning fast tracking, tax incremental financing, fee and charge waivers, and specialized programs like multi-unit residential acquisition (MURA) programs or formal land banking and transfers.</p>
