

LITTLE RIVER POLLUTION CONTROL PLANT EXPANSION MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT STUDY

THE STUDY

The City of Windsor undertook a Schedule 'C' Municipal Class Environmental Assessment (Class EA) study for the Little River Pollution Control Plant (LRPCP). The study objective is to identify the most environmentally responsible, cost-effective and sustainable solution to address the need for additional wastewater treatment capacity at the LRPCP. This study is being carried out in accordance with the requirements of the Municipal Engineers Association (MEA) Class EA, October 2000, as amended in 2007, 2011, 2015, 2023 and 2024 approved under the Ontario *Environmental Assessment Act*. This study satisfied Phase No.'s 1 through 4 of the Class EA process including: (Phase 1) review of background information and definition of a problem statement, (Phase 2) evaluation of alternative solutions, (Phase 3) evaluation of alternative design concepts, and (Phase 4) preparation of an environmental study report.

The planning and decision-making process of this Class EA Study has been documented in an Environmental Study Report (ESR). The ESR has been completed and is being placed on public record for a 30-day review period. The report is available for review online on the City's website:

In addition, a request to the Minister of the Environment, Conservation and Parks for an order imposing additional conditions or requiring an individual environmental assessment may be made on the grounds that the requested order may prevent, mitigate or remedy adverse impacts on constitutionally protected Aboriginal and treaty rights. Requests should include your full name and contact information.

Requests should specify what kind of order is being requested (additional conditions or an individual environmental assessment), explain how an order may prevent, mitigate or remedy potential adverse impacts, and can include any supporting information.

The request should be sent in writing or by email to:

Minister of the Environment, Conservation and Parks
Ministry of Environment, Conservation and Parks
777 Bay Street, 5th Floor
Toronto ON M7A 2J3
minister.mecp@ontario.ca

and

Director, Environmental Assessment Branch
Ministry of Environment, Conservation and Parks
135 St. Clair Ave. W, 1st Floor
Toronto ON, M4V 1P5
EABDirector@ontario.ca

Requests should also be sent to the City of Windsor by mail or email.

Please visit the ministry's website for more information on requests for orders under section 16 of the *Environmental Assessment Act* at: <https://www.ontario.ca/page/class-environmental-assessments-part-ii-order>

All personal information included in your request – such as name, address, telephone number and property location – is collected, under the authority of section 30 of the *Environmental Assessment Act* and is collected and maintained for the purpose of creating a record that is available to the general public. As this information is collected for the purpose of a public record, the protection of personal information provided in the *Freedom of Information and Protection of Privacy Act* (FIPPA) does not apply (s.37). Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential.

This notice was issued on June 10th, 2026.
