

## Notice of Commencement and Public Meeting

### Transit and Rail Project Assessment Process

### East End Transit Terminal, City of Windsor, Ontario

The City of Windsor has retained Dillon Consulting Limited to complete the Transit and Rail Project Assessment Process (TRPAP) for a new transit terminal in the east end of Windsor. The terminal is planned to be located at the northwest corner of the intersection of Lauzon Parkway and Tecumseh Road East, as shown on the map below. Further information, including the preliminary layout of the terminal, can be found on the project webpage at:

### Public Open House

To learn more about the project, you are invited to attend the upcoming public open house at:

**Windsor Family Credit Union (WFCU) Centre, Ontario Room**  
**8787 McHugh Street, Windsor, Ontario**  
**June 27, 2024, 4:00 to 6:00 p.m.**

Drawings and information about the preferred design, anticipated impacts, mitigation measures, and next steps will be displayed for viewing. Project team members will be available to discuss the project and respond to comments and questions.

### Environmental Project Report

The environmental impact of this project is being assessed in accordance with the TRPAP, as outlined in *Ontario Regulation 231/08*. An Environmental Project Report (EPR) is being prepared to document the preferred design, consultation completed, impact assessment, and mitigation measures.

The draft EPR is planned to be made publicly available for an initial 30 calendar day review period starting on **June 27, 2024**. The draft report will be posted on the project webpage at the link above.

Upon completion of the study, the final EPR will be made available for public comment for 30 calendar days. A Notice of Completion will be circulated when the final EPR is available for review.
