

WILDFLOWERS OF LATE MAY AND JUNE

Here is a short list of herbaceous plants that flower in late May and June. Species at their peak of flowering are indicated with an asterisk *.

Ojibway Park, Tallgrass Prairie Heritage Park, Black Oak Heritage Park, Spring Garden Natural Area, LaSalle Woodlot and Ojibway Prairie Provincial Nature Reserve are the best locations for native wildflowers in the Windsor area.

Pink Blooms

Wild Columbine *Aquilegia canadensis* *
 Wild Geranium *Geranium maculatum* *
 Herb-Robert *Geranium robertianum* *
 Wild Garlic *Allium canadense*
 Marsh Vetchling *Lathyrus palustris*
 One-flowered Cancer-root *Orabanche uniflora*
 Wild Crab *Pyrus coronaria* *
 Sheep Sorrel *Rumex acetosella*
 Sleepy Catchfly *Silene antirrhina*

Purple Milkweed

Green Blooms

Jack-in-the-Pulpit *Arisaema triphyllum*
 Fen Twayblade *Liparis loeselii*
 Carrion-flower *Smilax lasioneura*
 Dryland Blueberry *Vaccinium pallidum*
 Wild Black Currant *Ribes americana*
 Sassafras *Sassafras albidum*

Blue to Purple Blooms

Arrow-leaved Violet *Viola sagittata*
 Wood Violet *Viola sororia*
 Blue Phlox *Phlox divaricata*
 Robin's Plantain *Erigeron pulchellus* Southern
 Blue Flag *Iris virginica*
 Blue Lupine *Lupinus perennis* *
 Purple Twayblade *Liparis lilifolia* *
 Hairy Beard-tongue *Penstemon hirsutus*
 Blue-eyed Grass *Sisyrinchium albidum*
 Ohio Spiderwort *Tradescantia ohioensis*
 Meadow Lobelia *Lobelia spicata* *
 Purple Milkweed *Asclepias purpurascens* *

Ohio Spiderwort

Red and Orange Blooms

Black Huckleberry *Gaylussacia baccata*

White Blooms

False Toad Flax *Comandra umbellata* *
Wood Anemone *Anemone quinquefolia*
Canada Anemone *Anemone canadensis* *
Purple Meadow Rue *Thalictrum dasycarpum* *
Garlic Mustard *Alliaria officinalis*
Wild Strawberry *Fragaria virginiana*
Cleavers *Galium aparine*
Pussytoes *Antennaria plataginifolia*
Indian Hemp *Apocynum cannabinum*
Wild Sarsaparilla *Aralia nudicaulis*
Gray Dogwood *Cornus racemosa*
Honewort *Cryptotaenia canadensis*
Fleabane *Erigeron strigosus*
Early Fleabane *Erigeron philadelphicus* *
Wild Licorice *Galium circaezans*
Bedstraw *Galium obtusum*
White Avens *Geum canadense*
Canada Mayflower *Maianthemum canadense* *
Spring Scorpion Grass *Myosotis verna*
May Apple *Podophllum peltatum*
Solomon's Seal *Polygonatum biflorum*
Black Cherry *Prunus serotina*
Choke Cherry *Prunus virginiana*
Common Blackberry *Rubus allegheniensis* *
Common Dewberry *Rubus flagellaris* *
Purslane Speedwell *Veronica peregrina*
Starry False Solomon's Seal *Smilacina stellata* *
Racemose False Solomon's Seal *Smilacina racemosa*
Prairie White-fringed Orchid *Platanthera leucophaea* *

Prairie White-fringed Orchid

Yellow Blooms

Kidney-leaf Buttercup *Ranunculus abortivus*
Early Buttercup *Ranunculus fascicularis*
Swamp Buttercup *Ranunculus septentrionalis*
Cursed Crowfoot *Ranunculus scleratus*
Silver-weed *Potentilla anserina*
Yellow Pimpernal *Taenidia integerrima*
Golden Alexanders *Zizia aurea*
Hoary Puccoon *Lithospermum canescens* *

Hoary Puccoon

Wood-betony *Pedicularis canadensis*
Balsam Ragwort *Senecio pauperculus*
Wild Indigo *Baptisia tinctoria*
Yellow Lady-slipper *Cypripedium calceolus* *
Rough Avens *Geum laciniatum*
Yellow Star-grass *Hypoxis hirsuta* *
Two-flowered Cynthia *Krigia biflora* *
Moneywort *Lysimachia nummularia*
Tufted Loosestrife *Lysimachia thyrsiflora*
Yellow Wood-sorrel *Oxalis stricta*
Common Cinquefoil *Potentilla simplex* *
Rough Cinquefoil *Potentilla norvegica*
Clustered Snakeroot *Sanicula gregaria*
Tall Mustard *Sisymbrium altissimum*
Goat's Beard *Tragopogon major* *
Merrybells *Uvularia sessilifolia*
Black-eyed Susan *Rudbeckia hirta*
