SUBDIVISION / CONDOMINIUM APPLICATION

SUBDIVISION / CONDOMINIUM PROCESS

Review the [Planning Act](#) and relevant regulations, and the City of Windsor [Official Plan](#) for statutory requirements. Direct all questions to the assigned Planner. The process is as follows:

1. Within 30 days of the receipt of the application, you will receive written notification that the City is deeming the application incomplete or ready to be complete. If you completed the Planning Consultation process, this review period will be shorter.
2. If incomplete, the assigned Planner will indicate the revisions required prior to resubmitting the application - no further processing will occur. If the City is ready to deem the application complete, it will provide you with payment options. After the City processes payment, fees are not refundable, and the City will deem the application complete, will circulate it to departments and external agencies for comment, and will make submitted documents [available](#) to the public.
3. Following circulation, the assigned Planner prepares, and the City Planner and other staff review, the draft staff report. When the draft report receives internal approval, the City will schedule the application for a future meeting of the Development and Heritage Standing Committee (DHSC).
4. The DHSC meeting is the public meeting required by the *Planning Act*. The City will advertise public notice of the DHSC meeting in the Windsor Star newspaper 20 days prior to the meeting. The City may mail a courtesy notice to property owners within 200 metres of the subject land.
5. Ten days prior to the DHSC meeting, the staff report is made available to DHSC members, the Applicant / Agent, and to the public at <https://opendata.citywindsor.ca/Tools/CouncilAgendas>.
6. At the DHSC meeting, the assigned Planner may make a presentation. Any party may make an oral submission or submit a written submission. The DHSC may ask questions of any party that made a submission. DHSC may recommend draft approval or denial or defer the application.
7. If deferred, the DHSC will consider the application along with any additional information at a future DHSC meeting. If recommended for approval or denial, we will forward the staff report and the minutes of the DHSC meeting to City Council for decision at a future date. Council Services will notify the Applicant, Agent and all interested parties of the date, time, and location of the Council meeting. Call 311 or contact Council Services at [519-255-6211](tel:519-255-6211) or clerks@citywindsor.ca.
8. The application may be on the Consent Agenda of the Council Meeting, a part of the meeting where Council approves several matters with one motion. If the application is not on the Consent Agenda, a staff planner may make a presentation. Any party may make an oral submission or submit a written submission. Council may draft approve, deny, or defer the application.
9. Only prescribed persons as defined in the *Planning Act*, or the Applicant, may appeal the decision of Council. To file an appeal with the [Ontario Land Tribunal](#) (OLT), submit your request online through the [OLT E-File Portal](#) or completing the [appeal form](#) and submitting it to City of Windsor Council Services ([519-255-6211](tel:519-255-6211) or clerks@citywindsor.ca). If the City receives no appeal, an agreement is prepared for signature and registration on title.
10. You must fulfill the conditions of draft approval prior to the expiry of draft approval. It is the responsibility of the registered owner or applicant to obtain confirmation from departments and agencies that you have fulfilled the conditions of draft approval. Some agencies may require that you forward a copy of the completed subdivision agreement to them prior to notifying the City that you have fulfilled the conditions.

The City of Windsor does not send reminders regarding conditions and expiry dates.
