As an agent acting on behalf of the owner of the RSC property:

<input checked="" type="checkbox"/>	I acknowledge that the RSC will be submitted for filing in the Environmental Site Registry, that records of site condition that are filed in the Registry are available for examination by the public and that the Registry contains a notice advising users of the Registry who have dealings with any property to consider conducting their own due diligence with respect to the environmental condition of the property, in addition to reviewing information in the Registry.
<input checked="" type="checkbox"/>	I have conducted reasonable inquiries to obtain all information relevant to this RSC, including information from the other current owners of the RSC property named in this part of the RSC and I have obtained all information relevant to this RSC of which I am aware.
<input checked="" type="checkbox"/>	I have disclosed all information referred to in paragraph 2 to any qualified person named in this RSC.
<input checked="" type="checkbox"/>	To my knowledge, the statements made in this part of the RSC are true as of 2023/11/07.
<input checked="" type="checkbox"/>	I have ensured that access to the entire property, including the phase one property, any phase two property and the RSC property, has been afforded to the qualified person and to persons supervised by the qualified person, for purposes of conducting the site reconnaissance.
<input checked="" type="checkbox"/>	I certify that I have been authorized by the owner of the RSC property to make the statements prescribed by this section on their behalf and that the owner of the RSC property has read and understands the statements being made on their behalf.

By checking the box above, I, Thomas O'Dwyer am on 2023/11/07,

a.	signing this RSC as an agent acting on behalf of the owner of the RSC property; and
b.	making all certifications required of the owner of the RSC property on their behalf for this RSC.
<input checked="" type="checkbox"/> I Agree

Number of any previously filed transition notice that applies to any part of the RSC property	
Soil brought from another property to this RSC property to remain there following the filing of the RSC	No

Qualified person's statements and certifications

As the qualified person, I certify that:

<input checked="" type="checkbox"/>	A phase one environmental site assessment of the RSC property, which includes the evaluation of the information gathered from a records review, site reconnaissance, interviews, a report and any updates as required, has been conducted in accordance with the regulation by or under the supervision of a qualified person as required by the regulation.
<input checked="" type="checkbox"/>	As of 2023/10/10, no phase two environmental site assessment is required by the regulation for the RSC property and based on the phase one environmental site assessment for the RSC property, in my opinion, it is not necessary for any other reason to conduct a phase two environmental site assessment for the RSC property.
<input checked="" type="checkbox"/>	As of 2023/10/10, in my opinion, based on the phase one environmental site assessment, there is no evidence of any contaminants in the soil, ground water or sediment on, in or under the RSC property that, if the RSC property were put to any of the types of property uses listed in subsection 1 (2) of the regulation, are likely to interfere with any of those types of property uses.
<input checked="" type="checkbox"/>	I am a qualified person and have the qualifications required by section 5 of the regulation.
<input checked="" type="checkbox"/>	I have in place an insurance policy that satisfies the requirements of section 7 of the regulation.
<input checked="" type="checkbox"/>	I acknowledge that the RSC will be submitted for filing in the Environmental Site Registry, that records of site condition that are filed in the Registry are available for examination by the public and that the Registry contains a notice advising users of the Registry who have dealings with any property to consider conducting their own due diligence with respect to the environmental condition of the property, in addition to reviewing information in the Registry.
<input checked="" type="checkbox"/>	The opinions expressed in this RSC are engineering or scientific opinions made in accordance with generally accepted principles and practices as recognized by members of the environmental engineering or science profession or discipline practicing at the same time and in the same or similar location.
<input checked="" type="checkbox"/>	I do not hold and have not held, and my employer does not hold and has not held, a direct or indirect interest in the RSC property or any property which includes the RSC property and was the subject of a phase one or two environmental site assessment or risk assessment upon which this RSC is based.
<input checked="" type="checkbox"/>	To the best of my knowledge, the certifications and statements in this part of the RSC are true as of 2023/10/10.
<input checked="" type="checkbox"/>	By signing this RSC, I make no express or implied warranties or guarantees.

By checking the boxes above, and entering my membership/licence number in this submission, I, Thomas O'Dwyer, a qualified person under section 5 of O.Reg. 153/04 am, on ,

<input type="checkbox"/>	a.	signing this RSC submission as a qualified person; and
<input type="checkbox"/>	b.	making all certifications required as a qualified person for this RSC
<input checked="" type="checkbox"/> I Agree		

Additional documentation provided by property owner or agent

The following documents have been submitted to the Ministry of the Environment, Conservation and Parks as part of the RSC

A current plan of survey
Certificate of Status or equivalent for the owner
Copy of any deed(s), transfer(s) or other document(s) by which the record of site condition property was acquired
Lawyer's letter consisting of a legal description of the property
Phase One conceptual site model
Proof of the owner's authorization
Table of current and past uses of the Phase One property
