

OFFICIAL PLAN AMENDMENT APPLICATION

OFFICIAL PLAN AMENDMENT PROCESS

Review the [Planning Act](#) and relevant regulations, and the City of Windsor [Official Plan](#) for statutory requirements. Direct all questions to the assigned Planner. The process is as follows:

1. Within 30 days of the receipt of the application, you will receive written notification that the City is deeming the application incomplete or ready to be complete. If you completed the Planning Consultation process, this review period will be shorter.
2. If incomplete, the assigned Planner will indicate the revisions required prior to resubmitting the application - no further processing will occur. If the City is ready to deem the application complete, it will provide you with payment options. After the City processes payment, fees are not refundable, and the City will deem the application complete, will circulate it to departments and external agencies for comment, and will make submitted documents [available](#) to the public.
3. Following circulation, the assigned Planner prepares, and the City Planner and other staff review, the draft staff report. When the draft report receives internal approval, the City will schedule the application for a future meeting of the Development and Heritage Standing Committee (DHSC).
4. The DHSC meeting is the public meeting required by the *Planning Act*. The City will advertise public notice of the DHSC meeting in the Windsor Star newspaper 20 days prior to the meeting. The City may mail a courtesy notice to property owners within 200 metres of the subject land.
5. Ten days prior to the DHSC meeting, the staff report is made available to DHSC members, the Applicant / Agent, and to the public at <https://opendata.citywindsor.ca/Tools/CouncilAgendas>.
6. At the DHSC meeting, the assigned Planner may make a presentation. Any party may make an oral submission or submit a written submission. The DHSC may ask questions of any party that made a submission. The DHSC may defer, recommend approval, or recommend denial.
7. If deferred, the DHSC will consider the application along with any additional information at a future DHSC meeting. If recommended for approval or denial, we will forward the staff report and the minutes of the DHSC meeting to City Council for decision at a future date. Council Services will notify the Applicant, Agent and all interested parties of the date, time, and location of the Council meeting. Call 311 or contact Council Services at [519-255-6211](tel:519-255-6211) or clerks@citywindsor.ca
8. The application may be on the Consent Agenda of the Council Meeting, a part of the meeting where Council approves several matters with one motion. If the application is not on the Consent Agenda, the staff planner may make a presentation. Any party may make an oral submission or submit a written submission. Council may approve, deny, or defer the application.
9. If Council approves the application, Council will pass an amending by-law at a future meeting. Council Services will give notice of passing of the amending by-law to the applicant, property owners and public bodies within 15 days. There is a 20-day appeal period commencing the day after the City gives this notice. The notice will indicate the last day to file an appeal.
10. To file an appeal with the [Ontario Land Tribunal](#) (OLT), submit your request online through the [OLT E-File Portal](#) or completing the [appeal form](#) and submitting it to City of Windsor Council Services ([519-255-6211](tel:519-255-6211) or clerks@citywindsor.ca). If the City receives no appeal, the amending by-law is binding as of the date of Council's passing of the by-law.

10. ACKNOWLEDGEMENT (Continued)

Archaeological Resources: If archaeological resources are found during grading, construction, or soil removal activities all work in that area must cease immediately. I will **notify** the City's Planning & Development Services and Manager of Culture and Events, and the Ontario Archaeology Program Unit (APU) to confirm that all archaeological requirements are satisfied before resuming work.

Human Remains: If human remains are encountered during grading, construction or soil removal activities all work in that area must cease. I will secure the site and contact the Windsor Police Service at 911 or the coroner so that they may determine whether the skeletal remains are human and whether the remains constitute a part of a crime scene. The police or coroner will notify the APU and the Registrar at the Ontario Ministry of Public and Business Service Delivery and Procurement, if needed, and the APU will provide notification and satisfactory confirmation.

Potentially Contaminated Site: I am responsible for complying with provincial legislation, guidelines, and the City's Official Plan policies regarding potentially contaminated lands. Reasonable effort must be made to identify contamination on the subject property. As a condition of approval, the City may require a Record of Site Condition (RSC), signed by a qualified person and filed in the Environmental Site Registry, along with acknowledgment from the Ministry of the Environment, Conservation and Parks (MECP). The City may also require a Declaration from the qualified person confirming that the City may rely on the RSC. Species at Risk: Under Ontario's *Endangered Species Act, 2007*, it is my responsibility to ensure compliance with all provisions protecting endangered and threatened species and their habitats. This may include registering an activity or obtaining permits or authorizations from MECP prior to undertaking any work that could impact protected species. Approval under the Planning Act does not constitute approval under the Endangered Species Act, nor does it exempt the applicant from obtaining necessary authorizations.
