The subject land is designated Residential in the Official Plan. The proposed use of both the severed and retained lots are Residential. Both the proposed severed and retained lots do not comply with the minimum lot width requirement of Zoning By-law 8600. Therefore, this request is being concurrently made with the submission of a Minor Variance Application (A-034/26)

PLANNING ACT

Subsection 53(1) of the Planning Act gives council the authority to grant consent if satisfied that a plan of subdivision of land is not necessary for the proper and orderly development of the municipality. Council for the Corporation of the City of Windsor has delegated its consent authority to the Committee of Adjustment of the City of Windsor in accordance with Section 54(5) of the Planning Act.

Subsection 51(25) of the Planning Act allows the approval authority to impose such conditions to the approval of an application as it considers reasonable having regard to the nature of the development proposed.

PROVINCIAL PLANNING STATEMENT (PPS) 2024

Planning Staff has reviewed the relevant policies of the PPS - “Building Homes, Sustaining Strong and Competitive Communities” (Policy statement 2.2.1.b of the PPS). The requested consent is consistent with these policies permitting and facilitating all housing options required to meet the social, health, economic, and well-being requirements of current and future residents.

OFFICIAL PLAN (OP)

The Consent Policies, Section 11.4.3 of the Official Plan provide evaluation criteria and conditions of approval for consent applications. Appendix “A” attached herein shows the Consent Policies 11.4.3.

This consent is for creation of a new lot, which represents an appropriate consent per Section 11.4.3.2(a).

The severed and retained lots have access to a public highway paved with a hard surface and are serviced by municipal sanitary and storm services, complying with sections Section 11.4.3.4 and 11.4.3.5.

This consent satisfies the evaluation criteria in Section 11.4.3.6 for continuation of an orderly development pattern.

The City of Windsor Official Plan designates the subject property as Residential and the proposed development maintains the same use and conforms to the associated objectives and policies; therefore, the requested consent meets the general intent and purpose of the Official Plan.

Section 11.4.3.7 of the Official Plan states that the Committee of Adjustment may attach conditions as deemed appropriate to the approval of a consent; therefore, the applicant is required to complete the conditions noted in Section 1 of this report to the satisfaction of the City Planner and the City Engineer.

ZONING BY-LAW Zoning By-law 8600

The subject land is zoned Residential District 1.2 (RD1.2) which permits a Single Unit Dwelling. The application has been submitted concurrently with a Minor Variance Application (A-034/26) seeking relief for the minimum lot width requirement for both the retained and severed lots.

4. PLANNER'S OPINION:

This consent application is consistent with the Planning Act and Provincial Planning Statement 2024 and represents good planning. The requested Consent complies with the Official Plan and Zoning By-law 8600. The Planning Division recommends the approval of the applicant's request for consent with the conditions noted in Section 1.
