

## Celebrating 2017 Mayor's Awards

Over its 125 year history, the City of Windsor has evolved from the foundations of a small town to a key international city. Along with one of the most breathtaking riverfronts in the world, Windsor celebrates world-class technology, trend setting businesses, a vibrant cultural community, first class educational institutions and hospitals.

Windsor can be described simply as - a great Canadian City.

The success of this City is due in large part to the people of Windsor, people who have held fast to their belief in their beloved city. People who have contributed significantly to the Windsor we enjoy today.

***In honour of our 125<sup>th</sup> anniversary of incorporation, Mayor Dilkens will present 25 awards recognizing passionate, community-minded citizens who have helped to make Windsor a 'great city'. Awards will be presented in the following categories:***

Good Neighbour • Team Excellence • Diversity • Outstanding Youth (4 categories) • Fundraising  
Civic Booster • Civic Booster – Youth • Accessibility • Arts • Heritage • Senior • Education  
Healthy Community • Sports • Athletics & Recreation • Environment • Safety • Innovation  
Social Media • Mentorship • Inspiration • Spirit of Windsor Award

The winners of these awards will have demonstrated an extraordinary effort to making Windsor a better place not just for themselves, but for their neighbours, friends and community.

“The city’s 125<sup>th</sup> anniversary provides us with a unique opportunity to reflect on how far we have come as a city. Recognizing the people and groups that work hard to help our city thrive is an important part of our city’s 125<sup>th</sup> celebration,” said Mayor Drew Dilkens. “I am particularly interested in nominations for those that have never been recognized for their service to Windsor. I encourage residents to think about the people they know who have quietly given time to making our community a wonderful place to live.”
