Dear Property Owner(s):

**Re: Project Notification – Cabana Road Corridor Improvements Phase 3 –
Road Widening, Private Drain Connections, and Driveways – Interim Notice**

Further to our interim project notice, dated August 18, 2021, the road work on the south side of Cabana is now largely complete. We would like to update you on the anticipated next steps including the potential impact to your property access.

Anticipated Next Steps

- **The Contractor will begin to shift traffic to the south side of Cabana starting the week of October 4, 2021.**
- Restoration and landscaping along the south side of Cabana will be on-going.
- Construction along the north side of Cabana will commence with private storm drain connections, followed by excavation for the new roadway.
- Construction of curbs, driveways, sidewalks, and boulevard grading along the north side of Cabana will follow.
- Improvements to the Dougall/Cabana intersection will be completed in the coming weeks, including a closure of the intersection to complete milling and paving works.
- It is anticipated that the project will be substantially performed by early December.

We understand that construction can cause inconveniences to the adjacent residents including driveway access, deliveries, taxi services, garbage collection, etc. **If assistance is required please contact Samuel Klomp of Amico Infrastructures at 519-999-0747. He will arrange for onsite staff to provide assistance.**

We appreciate your understanding and cooperation on this matter. We will continue to communicate with you as the project progresses to completion. Should you have any questions or concerns related to this project, please contact:
