

## **Tecumseh Road West Infrastructure Renewal Project - Tecumseh Rd. W. through Campbell Avenue Intersection**

**Windsor, ON:** As part of an ongoing infrastructure renewal program by the **Windsor Utilities Commission (WUC)**, Sherway Contracting will undertake the following construction project, beginning Friday, May 19, 2017, weather permitting:

- Construction of a new 400mm PVC watermain on Tecumseh Road West through the Campbell Avenue intersection.

Please note that Campbell Avenue will be closed at Tecumseh Road West between the hours of 9 a.m. and 3 p.m. on Friday, May 19. While every effort will be made to minimize traffic impacts and afford local access to residents, delays can be expected. To ensure the safety of our workers, we request that motorists exercise safety precautions when approaching construction sites in their local vicinities.

### **About Windsor's Electricity and Water Operations:**

**The Windsor Utilities Commission (WUC)** owns the water production and distribution infrastructure in the City of Windsor. WUC also owns the downtown District Energy heating and cooling facilities.

**ENWIN Utilities Ltd. (ENWIN)** is the licensed water system operator for the WUC-owned water system. **ENWIN** is also a licensed electricity distribution company serving customers in the City of Windsor.
