

September 14, 2018

To Property Owner / Resident:

**RE: CITY OF WINDSOR CONTRACT 43-18  
ALTEN DRIVE**

---

The City of Windsor will be resurfacing Alten Drive from Regis Avenue to Ashland Drive. This work will starting the week of **September 17, 2018**, weather permitting. "No Parking" signs will be posted the night before work will start.

**PLEASE REMOVE YOUR VEHICLE FROM THE ROAD BY 7:00 A.M. THE  
MORNING AFTER SIGNS ARE POSTED SO THAT WORK CAN START.**

The work will consist of removal and replacement of the asphalt pavement. During the course of construction, there will short periods of time when driveways will not be accessible.

During the period of time between when the old pavement has been removed, and paving of the new asphalt, there will be a 100mm - 125mm drop at driveways. This condition will only exist until the base asphalt has been placed.

Please be aware that a surface treatment is used prior to paving that would likely be carried by your car tires onto your driveway if you choose to drive through the area during this work. It is recommended that you try to avoid using the road during paving operations.

We regret any inconvenience this may cause. Should you have any questions regarding this matter, please contact Mr. Wade Bondy, Contracts Coordinator at 519-255-6560, extension 4234.

Sincerely,

P. Nguy
