

May 3, 2019

To Property Owner / Resident:

**RE: CITY OF WINDSOR CONTRACT 43-18
HALSTEAD CRESCENT**

The City of Windsor will be resurfacing Halstead Crescent. This work will start the week of May 6, 2019, weather permitting. "No Parking" signs will be posted the night before work will start.

**PLEASE REMOVE YOUR VEHICLE FROM THE ROAD BY 7:00 A.M. THE
MORNING AFTER SIGNS ARE POSTED SO THAT WORK CAN PROCEED**

The work will consist of removal and replacement of the asphalt pavement. During the course of construction, there will be short periods of time when the road is closed to traffic and your driveway will not be accessible.

During the period of time between when the old pavement is removed and paving of the new asphalt, there will be a 100mm to 150mm drop at driveways. This condition will only exist until the base asphalt has been placed, which happens typically the same day.

Please be aware that a surface treatment is used prior to paving that would likely be carried by your car tires onto your driveway if you choose to drive through the area during this work. It is highly recommended that you avoid using the road during paving operations.

We regret any inconvenience this may cause. Should you have any questions regarding this matter, please contact Mr. Wade Bondy, Contracts Coordinator at 519-255-6560, extension 4234.

Sincerely,

P. Nguy
