

PUBLIC WORKS OPERATIONS

CONTRACTS, FIELD SERVICES & MAINTENANCE

September 17, 2018

To Property Owner / Resident:

**RE: SURFACE ASPHALT
Princess Avenue**

Final paving of Princess Avenue from Tecumseh Road to Adstoll Avenue will take place starting September 18, 2018, weather permitting. "No Parking" signs will be posted the night prior to paving.

**PLEASE REMOVE YOUR VEHICLE FROM THE ROAD BY 7:00 A.M. THE MORNING AFTER
SIGNS ARE POSTED SO THAT WORK CAN START.**

The road will be closed to through traffic during paving operations. Access to driveways will be limited during this work and will not be available during the brief period of time that work is taking place directly in front of your driveway.

Please be aware that a surface treatment is used prior to paving that would likely be carried by your car tires onto your driveway if you choose to drive through the area during this work. It is recommended that you avoid using the road during paving operations.

We regret any inconvenience this has caused. Should you have any questions regarding this matter, please contact our Mr. Wade Bondy, Contracts Coordinator at 519-255-6560, extension 4234.

Sincerely,

P. Nguy
Manager of Contracts, Field Services & Maintenance
