Dear Property Owner/Tenant:

**Re: Project Notification – City of Windsor Tender No. 67-17
Moy Avenue – Sewer, Watermain, Pavement, and Streetlighting Rehabilitation
Riverside Drive East to Wyandotte Street East; Gladstone Avenue to Moy Avenue**

Due to approaching cold weather, the Moy Avenue rehabilitation project will not be fully completed this year. The road pavement and curb and gutter on Moy Avenue from Assumption Street to Wyandotte Street East, and along Assumption Street from Moy Avenue to Gladstone Avenue will be completed. All remaining work will be completed in the spring of 2018.

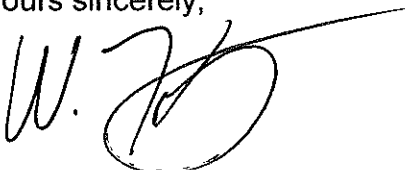

The Contractor will restore damaged surfaces temporarily, in order to provide a safe pathway for residents and vehicles for the duration of the winter.

It is inevitable the above-mentioned construction will cause some inconvenience in the area; however, every effort will be made to minimize these inconvenience.

Should you have any questions regarding the above, please contact **Mrs. Janelle Coombs, at 519-255-6257, extension 6407.**

We appreciate your patience and cooperation.

Yours sincerely,

Wesley Hicks, P. Eng.
Senior Manager, Infrastructure & Geomatics/Deputy City Engineer
