Dear Property Owner:

**Re: Project Notification – City of Windsor Tender 38-19
Olive Road - Sewer, Watermain, Road, and Sidewalk Rehabilitation from
Seminole Street to Milloy Street
Reginald Street – Road Rehabilitation from Norman Road to Pillette Road**

As you know, the road rehabilitation on Olive Road is underway. The mentioned work includes road pavement, concrete curb and gutters, and 5' wide concrete sidewalks. In order to meet AODA Regulation and the City's Best Practices Requirement (minimum one foot away from the light post), the proposed east side sidewalk will be relocated to the curbside from Seminole Street to Milloy Street.

It is inevitable that construction will cause some inconvenience in your area (e.g. on-street parking and resident driveways may not be accessible for short periods of time, such as while pouring concrete curbs and driveways). Every effort will be made to minimize these inconveniences.

We appreciate your patience and cooperation during construction.

Sincerely,

Wesley Hicks, P. Eng.
Senior Manager, Infrastructure & Geomatics/Deputy City Engineer
