Dear Property Owner/Tenant:

**Re: Project Notification – City of Windsor Tender No. 38-19
Sewer, Watermain, and Pavement Reconstruction on Olive Road
from Seminole Street to Milloy Street
Road Rehabilitation on Reginald Street from Pillette Road to Norman Road**

As you know, the construction of sewers, watermain, and roadwork on Olive Road and road reconstruction on Reginald Street are completed. The remaining work from this contract is boulevard restoration.

Due to weather conditions, sod installation has been postponed to the spring of 2020, as soon as the sod farm opens.

Recently, the Contractor has graded the top soil in the boulevard area, and swept the street to winterize the construction site through the winter season for the residents.

We appreciate your cooperation and wish for all of you to have a GREAT HOLIDAY SEASON!!

Should you have any questions regarding the above, please contact **Mrs. June Liu-Vajko at 519-255-6257, extension 6339.**

Yours truly,
