

NOTICE OF STUDY COMMENCEMENT

Tecumseh Road West Municipal Class Environmental Assessment Study

INTRODUCTION

The City of Windsor has initiated an Environmental Assessment (EA) Study for the planning and preliminary design of transportation network improvements to Tecumseh Road West between Crawford Avenue and Janette Avenue. The proposed improvements will address the transportation needs, address rail crossing requirements and accommodate all road users including pedestrians of all ages and abilities.

STUDY PROCESS

The Tecumseh Road West EA is being conducted as a Schedule 'C' project under the *Municipal Class Environmental Assessment (2007)*, as amended in 2015. The Study will complete all necessary phases of the Municipal Class EA to receive environmental clearance for construction.

PUBLIC CONSULTATION

A draft Study Design will be available on the City's website. The draft Study Design describes the project scope, study approach, need and justification, process and preliminary alternatives.

A Community Café will be held to help define the scope and issues. Persons wishing to participate in the Community Café should contact the EA Project Manager below to register. The Community Café is scheduled for:

Date: Thursday, September 7, 2017

Time: 7:00 to 9:00 PM

Location: École Secondaire De Lamothe-Cadillac, Library, 1775 Totten Street, Windsor

Public Information Centres (PIC's) will also be held during the study with notices being placed in the Windsor Star and on the City's website.

There is an opportunity at any time during the EA process for interested persons to provide comments. Any comments received pertaining to the study will be collected under the Environmental Assessment Act and, with the exception of personal information, will become part of the public record. Persons will be advised of future communication opportunities. Notices and updates will be posted on the City of Windsor's web site
