

Notice of Public Information Centre

Wyandotte Street East from Devonshire Road to Watson Avenue

The City of Windsor is conducting a study to review the existing roadway elements along the Wyandotte Street corridor and consider opportunities within the right-of-way to provide a pleasant experience for all roadway users. The study corridor is illustrated on the study area and includes Wyandotte Street East between Devonshire Road and Watson Avenue. The study will consider opportunities to optimize the existing right-of-way to achieve safe, efficient, comfortable and convenient travel for roadway users of all ages, abilities and modes within the study corridor.
