

## Notice

### PUBLIC INFORMATION CENTRE (PIC)

### Active Transportation Facilities – Cabana Road between Northway Avenue and Walker Road

The City of Windsor has approved funding to construct pedestrian and cycling facilities on Cabana Road in the study area identified (below). Administration has considered two options: bike lanes with complete sidewalks on both sides, or a multi-use trail on one side with complete sidewalks on the other side.

### PUBLIC INPUT

A Public Information Centre (PIC) is scheduled for Thursday, March 27, 2014 to present the two options to the public and gather input. All interested stakeholders are invited to attend this drop-in style open house to meet the Project Team, become informed about the project and provide comments. Comments and input gathered from the public and agencies will be taken into consideration during subsequent planning and design activities.

Date:	<b>Thursday, March 27, 2014</b>
Time:	4:00 p.m. to 8:00 p.m.
Location:	Roseland Golf and Curling Club 455 Kennedy Drive West
