County Wide Active Transportation System (CWATS) Update Open House / County Rd. 20 Feasibility Design Study (Branton Dr. to County Rd. 31 in Leamington)

WE WANT TO HEAR FROM YOU!

The County of Essex and its consultant will provide an update on the implementation of the County Wide Active Transportation System (CWATS) and proposed future projects. We want your input on CWATS priorities.

As part of CWATS, the County and Essex in partnership with the Municipality of Leamington, is also undertaking a feasibility design study for a section of County Rd. 20 from Branton Dr. to County Rd. 31 in Leamington (CWATS segments Leamington 11A, B and C). The findings of this study will be presented for the public’s review at the open house as well.
