Program Overview

Canadian Tire is committed to providing our children with the opportunity to participate in sports and recreation programs so that they can develop essential life skills, self-esteem and confidence. To help make this happen, the Canadian Tire Foundation for Families introduced its national signature program, Canadian Tire Jumpstart, which delivers assistance to give all kids a sporting chance.

Criteria for Funding:

- Parent/guardian must demonstrate financial need.
- Children must be between 4 to 18 years of age.
- Financial support is for one activity per child per submission period.
- Reimbursements for program costs already paid by (or on behalf of) the family shall not be granted.

Sports and Recreation Guidelines:

- The program is designed to get children active. Participation must be in an organized sport or recreational activity.
- Funding goes to support an individual's participation in an activity, not to support teams or groups or to create an inventory of equipment.
- Funding should be for a sustained program that is either a minimum of five weeks duration with a minimum of one session per week or, in the case of sport camps, five consecutive days.
