

TRAFFIC CALMING STUDY

NEXT STEPS

- All affected residents are requested to provide input by submitting Comment Sheets by the specified date.
- Residents within the study area will be requested to respond to a poll through the City's 311 Call Centre to identify support for the proposed traffic calming plan. (1 vote per household)
- Support for implementation of the traffic calming plan must be expressed by at least two-thirds (66%) of the residents polled (consistent with O. Reg. 586/06, Municipal Act, 2011)
